INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and Members
of the Teaneck Council
Township of Teaneck, New Jersey

Report on the Financial Statements

We have audited the accompanying comparative balance sheets—regulatory basis of various funds of the Township of Teaneck, County of Bergen, State of New Jersey (the “Township”), as of December 31, 2013 and 2012, and the related comparative statements of operations and changes in fund balance—regulatory basis for the years then ended, and the related statements of revenues and expenditures—regulatory basis, and comparative statement of general fixed assets—regulatory basis for the year ended December 31, 2013, and the related notes to the financial statements, which collectively comprise the Township’s basic financial statements as listed in the table of contents.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements—regulatory basis (the “financial statements”) in accordance with the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the “Division”). Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and in compliance with audit requirements as prescribed by the Division. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Township’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

The Deferred Compensation Plan of the Township has not been audited or reviewed, and we were not engaged to audit or review the Deferred Compensation financial statements as part of our audit of the Township's financial statements.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1, the financial statements are prepared and presented by the Township on the basis of financial accounting and reporting principles and practices that demonstrate compliance with the regulatory basis of accounting and budget laws prescribed by the Division, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the State of New Jersey for municipal government entities. The effects on the financial statements of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of each fund of the Township as of December 31, 2013 and 2012, or the changes in financial position for the years then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the accompanying comparative balance sheet - regulatory basis of the various funds of the Township as of December 31, 2013 and 2012, and the results of the comparative statement of operations and the changes in fund balance - regulatory basis of such funds for the years then ended, and the revenues and expenditures-regulatory basis of the various funds, and general fixed assets for the year ended December 31, 2013, in accordance with accounting principles and practices prescribed by the Division as described in Note 1.

Other Matters

Required Supplementary Information

The Township has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. A management discussion and analysis is not required by the financial accounting and reporting principles and practices prescribed by the Division, to supplement the financial statements and therefore it has not been presented by management. Our opinion on the basic financial statements is not affected by this missing information.

Other Information

Our audits were conducted for the purpose of forming opinions on the financial statements that collectively comprise the Township's basic financial statements. The supplemental schedules and schedules of expenditures of federal and state financial assistance are presented for the purposes of additional analysis as required by the Division, the accompanying schedules of expenditures of federal awards and/or state financial assistance are presented for the purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, *Audits of State and Local Governments, and Non-Profit Organizations* and State of New Jersey Circular 04-04-OMB, *Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid*, and are also not a required part of the financial statements.

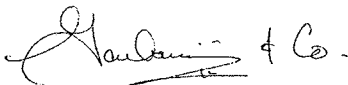

The supplementary schedules and schedules of expenditures of federal awards and/or state financial assistance are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole on the basis of accounting described in Note 1.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated June 6, 2014 on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Township's internal control over financial reporting and compliance.

TOWNSHIP OF TEANECK
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013 AND 2012

1. Summary of Significant Accounting Policies

The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The GASB Codification establishes seven fund types and two account groups to be used by governmental units when reporting financial position and results of operations in accordance with generally accepted accounting principles (GAAP).

The financial statements of the Township of Teaneck (the “Township”) have been prepared in conformity with accounting principles and practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the “Division”). Such principles and practices are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Under this method of accounting, the Township accounts for its financial transactions through the following separate funds, which differ from the fund structure required by GAAP.

A. Reporting Entity

The Township operates under a Council-Manager form of government. The Township’s major operations include public safety, road repair and maintenance, sanitation, fire protection, recreation and parks, health services, and general administrative services.

GASB has issued Statement No. 14, which requires the financial reporting entity to include both the primary government and those component units for which the primary government is financially accountable. Financial accountability is defined as appointment of a voting majority of the component unit’s board and either a) the ability to impose will by the primary government or b) the possibility that the component unit will provide a financial benefit to or impose a financial burden on the primary government.

However, the municipalities in the State of New Jersey do not issue financial statements in accordance with GAAP, and thus, do not comply with all of the GASB pronouncements. The financial statements contained herein include only those boards, bodies, officers, or commissions as required by NJS 40A:5-5. Accordingly, the financial statements of the Township do not include the municipal library, which is considered a component unit under GAAP. Complete financial statements of the above component can be obtained by contacting the Treasurer of the respective entity.

B. Fund Accounting

The accounting policies of the Township conform to the accounting principles applicable to municipalities, which have been prescribed by the Division. Such principles and practices are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. The accounts of the Township are organized on the basis of funds or account groups, each of which is considered to be a separate accounting entity. The operations of each fund or account group are summarized by providing a separate set of self-balancing accounts, which include its assets, liabilities, fund equity, revenues, and expenses or expenditures. The following funds and groups of accounts are used by the Township:

Current Fund - Resources and expenditures for governmental operations of a general nature.

Trust Fund - Receipts, custodianship and disbursement of funds in accordance with the purpose for which each reserve was created. The Division regulates the accounting for these funds.

Assessment Trust Fund - This fund is used to account for special assessments levied against properties of specific purposes.

Other Trust Fund - This fund is established to account for the assets and resources, which are also held by the Township as a trustee or agent for individuals, private organizations, other governments and/or other funds. These funds include dedicated fees/proceeds collected, developer deposit and deposited funds with the Township as collateral.

Animal License Fund - This fund is used to account for fees collected from the dog and cat licenses and expenditures which are regulated by NJS 4:19-15.11.

General Capital Fund - Receipt and disbursement of funds for the acquisition of general capital facilities other than those acquired in the Current Fund.

Public Assistance/ Social Services Fund - Receipt and disbursement of funds that provide assistance to certain residents of the Township pursuant to Title 44 of New Jersey statutes. Effective April 1, 1998, the Township transferred administration of the general assistance program to the Bergen County Board of Social Services. The funds remaining in the public assistance fund are to be used to assist certain residents who do not qualify for the general assistance program.

Grant Fund - Receipt and disbursement of funds from Federal and State Grants.

General Fixed Assets - The General Fixed Assets Account Group is used to account for fixed assets used in governmental fund type operations for control purposes. All fixed assets are valued at historical cost or insurable cost if the actual historical cost is not available. Donated fixed assets are valued at their estimated fair value on the date of donation. No depreciation is recorded on general fixed assets.

C. Basis of Accounting

A modified accrual basis of accounting is followed by the Township. Under this method of accounting, revenues, except for State/Federal Aid, are recognized when received and expenditures are recorded when incurred. The accounting principles and practices prescribed for municipalities by the Division differ in certain respects from generally accepted accounting principles (GAAP) applicable to local government units. The more significant differences are as follows:

Revenues - Revenues are recorded when received in cash except for certain amounts, which are due from other governmental units. Receipts from Federal and State grants are realized as revenue when anticipated in the municipal budget. Receivables for property taxes are recorded with offsetting reserves on the Financial Position of the municipality's Current Fund. Accordingly, such amounts are not recorded as revenue until collected. Other amounts, which are susceptible to accrual, that are due the municipality are recorded as receivables with offsetting reserves and are recorded as revenue when received.

Miscellaneous Revenues - Miscellaneous revenues are recognized on a cash basis. Receivables for the miscellaneous items that are susceptible to accrual are recorded with offsetting reserves on the financial position of the Township's Current Fund. GAAP requires such revenues to be recognized in the accounting period when they become susceptible to accrual.

Grant Revenues - Federal and State grants, entitlement or shared revenues received for purposes normally financed through the Current Fund, are recognized when anticipated in the Township's budget. GAAP requires such revenues to be recognized in the accounting period when they become susceptible to accrual.

Budgets and Budgetary Accounting - An annual budget is required to be adopted and integrated into the accounting system to provide budgetary control over revenues and expenditures. Budget amounts presented in the accompanying financial statements represent amounts adopted by the Township and approved by Division per N.J.S.A. 40A:4 et seq. Transfers can be made during the last two months and the first three months of the following year. The budget may also be amended by emergency appropriation, which must be raised in the succeeding year's budget. Special items of revenue and corresponding expenditure may be added to the budget with special written consent from the Division (Chapter 159).

The Township is not required to adopt budgets for the following funds:

Trust Funds
General Capital Fund
Public Assistance Fund

Expenditures - Expenditures are recorded in the "budgetary" basis of accounting. Generally, expenditures are recorded when an amount is encumbered for goods or services through the issuance of a purchase order in conjunction with an encumbrance accounting system. Outstanding encumbrances at December 31 are reported as a cash liability in the financial statements. Unexpended or uncommitted appropriations at December 31 are reported as expenditures through the establishment of appropriation reserves, unless canceled by the governing body. Except for unmatured interest on general long-term debt which should be recognized when due, GAAP requires expenditures, if measurable, to be recognized in the accounting period in which the fund liability is incurred.

TOWNSHIP OF TEANECK
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013 AND 2012
(Continued)

1. Summary of Significant Accounting Policies (Continued)

C. Basis of Accounting (Continued)

Encumbrances - Contractual orders outstanding at December 31 are reported as expenditures through the establishment of an encumbrance payable. Encumbrances do not constitute expenditures under GAAP.

Appropriation Reserves - Appropriation Reserves are available, until lapsed, at the close of the succeeding year to meet specific claims, commitments or contracts incurred during the preceding year. Lapsed appropriation reserves are recorded as additions to income. Appropriation reserves do not exist under GAAP.

Compensated Absences - Expenditures relating to obligations for unused vested accumulated vacation and sick pay are not recorded until paid. GAAP requires that the amount that would normally be liquidated with expendable available financial resources be recorded as an expenditure in the operating funds and the remaining obligations be recorded as a long-term obligation.

Property Acquired for Taxes - Property acquired for taxes is recorded in the Current Fund at the assessed valuation when such property was acquired and fully reserved. GAAP requires such property to be recorded in the General Fixed Assets Account Group at market value on the date of acquisition.

Self-Insurance Contributions - Payments to self-insurance funds are charged to current budget appropriations. GAAP requires payments to be accounted for as an operating transfer and not as an expenditure.

Interfunds - Interfund receivables in the Current Fund are recorded with offsetting reserves, which are created by charges to operations. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves. GAAP does not require the establishment of an offsetting reserve.

Inventories - The cost of inventories of supplies for all funds are recorded as expenditures at the time individual items are purchased. The costs of inventories are not included on the various Financial Positions.

Cash and Investments - Cash includes amounts in demand deposits, as well as short-term investments, with a maturity date within one year of the date acquired by the government. Investments are stated at cost and are limited by N.J.S.A. 40A:5-15.1 to bonds or obligations of the Federal Government and bonds or other obligations of Federal or local units having a maturity date not more than twelve months from the date of purchase.

Deferred Charges to Future Taxation Funded and Unfunded- Upon the authorization of capital projects, the Township establishes deferred charges for the costs of the capital projects to be raised by future taxation. Funded deferred charges relate to permanent debt issued, whereas unfunded deferred charges relate to temporary or nonfunding of the authorized cost of capital projects. Accordingly to N.J.S.A. 40A:2-4, the Township may levy taxes on all taxable property within the local unit to repay the debt. Annually, the Township raises the debt requirements for that particular year in the current budget. As the funds are raised by taxation, the deferred charges are reduced.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013 AND 2012
(Continued)

1. Summary of Significant Accounting Policies (Continued)

C. Basis of Accounting (Continued)

Incurred But Not Reported (IBNR) Reserves - The Township has not created a reserve for any potential unreported losses which have taken place but for which the Township has not received notice or report of losses. Additionally, the Township has not recorded a liability for those claims, which have been filed but have not yet been paid. GAAP requires the establishment of reserves for such potential claims if material.

Tax Appeals and Other Contingent Losses - Losses arising from tax appeals and other contingent losses are recognized at the time a decision is rendered by an administrative or judicial body and not when it is probable that a loss has been incurred and the amount of such loss can be reasonably estimated.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

General Fixed Assets – N.J.A.C. 5:30-5.6 codifies fixed asset accounting, the Technical Accounting Directive No. 86-2 (the “TAD”) took affect in 1986. This TAD required local units to create and maintain a fixed asset accounting system for their physical assets. The requirement has now been codified as N.J.A.C. 5:30-5.6. The codification updates the definition of a fixed asset to refer to the 1997 edition of the U.S. Office of Management and Budget Circular A-87, Cost Principals for State, Local and Indian Governments. The regulation continues the requirement of the local units to:

- i. Place a value of all fixed assets put into service
- ii. Have a subsidiary ledger of detailed records of fixed assets
- iii. Provide property management standards to control fixed assets
- iv. Provide a statement of fixed assets in the annual audit.

Fixed Assets purchased after December 31, 1989 are stated at cost.

Fixed Assets purchased prior to December 31, 1989 are stated as follows:

Land and Buildings	Assessed Valuations
Machinery and Equipment	Estimated Market Value

No depreciation has been provided for in the financial statements. Expenditures for construction in progress are recorded in the Capital Funds until such time as the construction is completed and put into operation. GAAP requires that fixed assets be capitalized at historical cost or at estimated historical cost if actual historical cost is not available. Depreciation on utility fixed assets should also be recorded. Schedule E of the Financial Statement will disclosure the major classes of Fixed Assets as of December 31, 2013 and December 31, 2012, no depreciation has been provided for in the financial statements.

C. Basis of Accounting (Continued)

Comparative Data - Comparative data for the prior year has been presented in the accompanying financial statement in order to provide an understanding of changes in the financial position and operations. However, comparative data has not been presented in all statements because their inclusion would make certain statements unduly complex and difficult to understand.

Foreclosed Property - Foreclosed property is recorded in the Current Fund when such property was acquired and is fully reserved.

D. Basic Financial Statements

The GASB Codification also defines the financial statements of a governmental unit to be presented in the financial statements to be in accordance with GAAP. The Township presents the financial statements listed in the table of contents, which are required by the Division, and which differ from the financial statements required by GAAP. In addition, the Division requires the financial statements listed in the table of contents to be referenced to the supplementary schedules. This practice differs from GAAP.

2. Cash and Cash Equivalents

Custodial Credit Risk – Deposits. Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The Township's policy is based on New Jersey Statutes requiring cash be deposited only in New Jersey based banking institutions that participate in New Jersey Governmental Depository Protection Act (GUDPA) or in qualified investments established in New Jersey Statutes 40A: 5-15.1(a) that are treated as cash equivalents. As of December 31, 2013 and 2012, \$0 of the Township's bank balance \$21,393,576.71 and \$22,736,048.14 were exposed to custodial credit risk

4. Leases

In 2008, the Township authorized the execution of an agreement with the Bergen County Improvement Authority for the leasing of certain capital equipment. The lease term is based on the useful bond life of each particular item. The lease payments consist of basic rent, which is compromised of principal and 3.48% interest. The following schedule presents the remaining lease payments at December 31, 2013.

Calendar Year	<u>Principal</u>	<u>Interest</u>	<u>Total</u>

6. Bond Anticipation Notes

The Township issues bond anticipation notes to temporarily fund various capital projects prior to the issuance of serial bonds. The term of the notes cannot exceed one year but the notes may be renewed from time to time for a period not exceeding one year. Generally, such notes must be paid no later than the first day of the fifth month following the close of the tenth fiscal year following the date of the original notes. The State of New Jersey also prescribes that on or before the third anniversary date of the original note a payment of an amount at least equal to the first legally payable installment of the bonds in anticipation of which such notes were issued be paid or retired. A second and third legal installment must be paid if the notes are to be renewed beyond the fourth and fifth anniversary date of the original issuance.

On December 31, 2013, the Township had \$12,378,337.32 in outstanding bond anticipation notes at an interest rate of .750% as detailed on Exhibit C-10. These notes matured on April 25, 2014. The Township also had outstanding at December 31, 2013 a non-interest bearing Note Payable from the Current Fund to the Capital Fund in the amount of \$1,060,979.32, maturing November 26, 2013 as detailed on Exhibit C-10A..

8. Contingencies

Litigation

As of June 6, 2014, the Township Attorney has reported in accordance with Financial Accounting Standards No. 5 that the Township is party to various legal proceedings, which normally occur in governmental operations. There are a multiplicity of claims against the Township (as distinguished from suits), most relating to raised sidewalks, trees falling on persons or property, potholes, and other similar claims, which may never be litigated and under which the Township claim statutory immunity under the New Jersey Tort Claims Act, NJSA 59:1-1 et seq. In addition, the Township is defendant in various tax appeal proceedings. These appeals, if successful, would be funded by either budget appropriation or the authorization of tax appeal refunding bonds. The appeals as they relate to what is commonly referred to as the "Glenpointe Hotel Complex", represents tax court judgments of significant exposure. The matter is defended by Genova Burns Giantomasi Webster LLC and management anticipates a significant tax reduction. Also, there are various employment issues involving grievances and work related matters which per civil service rules involve hearings and arbitrations.

In addition, there are numerous cases outstanding at December 31, 2013 that the Township Attorney has reported are material. No evaluation of the outcome or range of potential loss can be made at this time. However, if decided against the Township, then these cases will be covered by insurance, or funded through future taxation. As a result of the modified accrual basis of accounting, the financial statements do not include accrual or provisions for loss contingencies that may result from these proceedings. The Township's management has concluded that accrual or provision would not be material to the financial statements.

Claims and Judgments

The Township participated in a number of federal and state programs that are fully or partially funded by grants received from other governmental units. Expenditures financed by grants are subject to audit by the appropriate grantor government. If expenditures are disallowed due to noncompliance with grant program regulations, the Township may be required to reimburse the grantor government. As of December 31, 2013, significant amounts of grant expenditure have not been audited by the various grantor agencies but the Township believes that disallowed expenditures, if any, based on subsequent audits will not have a material effect on any of the individual governmental funds or the overall financial position of the Township.

Compensated Absences

The Township has permitted employees to accrue unused sick pay which is based on the various employee contracts. The cost of such vested unpaid compensation has been estimated at \$5,164,070.40 at December 31, 2013 and \$ 4,590,581.90 at December 31, 2012. This amount which is material to the financial statements is not reported either as an expenditure or liability. The Township has established a dedicated trust account for the payment of accumulated benefits. The balance at December 31, 2013 is \$22,762.95 and the balance at December 31, 2012 was \$20,740.71. In addition it is expected that the cost of such unpaid compensation would be included in the Township's operating budget in the year it is used if there are insufficient funds in the trust account.

9. Risk Management

The Township is exposed to various risks of loss related to general liability, automobile coverage, damage and destruction of assets, errors and omissions, injuries to employees and natural disasters. During years of 2013 and 2012, the Township did not incur claims in excess of their coverage and the amount of coverage did not significantly decrease.

Self-funded Worker's Compensation Insurance and Employer's Liability

The Township is self-insured for workman's compensation and general liability insurance except for automobile and catastrophic fire. D&H Alternative Risk Solutions administers the general liability, automobile, catastrophic liability and the self-insured workers' compensation fund. The self insured retention amount for the general liability fund is \$1,000,000 per claim. There is an excess liability insurance policy of \$5,000,000 for the excess liability. There has been no provision included in the financial statements for claims incurred but not reported as of December 31, 2013 and 2012.

10. Fund Balance Appropriated

Fund Balance December 31, 2013 and 2012, which were appropriated and included as anticipated revenue in their own respective funds for the years ending December 31, 2013 and 2012, were as follows:

	2013	2012
Current Fund	\$ 4,450,000.00	\$ 4,450,000.00

11. Deferred Charges to be Raised in Succeeding Budgets

Certain expenditures are required to be deferred to budgets of succeeding years. At December 31, 2013, the following deferred charges are shown on the balance sheets of the various funds of the Township.

Prepaid Taxes	<u>\$ 602,145.03</u>	<u>\$ 508,601.44</u>

14. Retirement Plans

Description of Plans

Substantially all of the Township's employees participate in one of the following contributory defined benefit public employee retirement systems which have been established by State statute: the Police and Firemen's Retirement System (PFRS) or the Public Employees' Retirement System (PERS). Those systems are sponsored and administered by the State of New Jersey and are considered a cost sharing multiple-employer plans. According to the State of New Jersey Administrative Code, all obligations of the systems will be assumed by the State of New Jersey should the systems terminate. The Division issues a publicly available financial report that includes the financial statements and required supplementary information for PERS and PFRS. This report may be obtained by writing to the Division of Pensions and Benefits, P.O. Box 295, Trenton, NJ 08625 or the report can be accessed on the internet at – <http://www.state.nj.us/treasury/pensions/annrptsarchive.htm>.

Public Employees' Retirement System (PERS)

The Public Employees' Retirement System was established in January, 1955 under the provisions of N.J.S.A. 43:15A to provide retirement, death, disability and medical benefits to certain qualified members. The Public Employees' Retirement System is a cost-sharing multiple-employer plan. Membership is mandatory for substantially all full time employees of the State or any county, municipality, school district or public agency provided the employee is not required to be a member of another State-administered retirement system or other state or local jurisdiction.

Police and Firemen's Retirement System (PFRS)

The Police and Firemen's Retirement System was established in July 1944 under the provisions of N.J.S.A. 43:16A to provide retirement, death and disability benefits to its members. Membership is mandatory for all full time county and municipal police and firemen, and state firemen or officer employees with police powers appointed after June 30, 1944.

14. Retirement Plans (Continued):

Funding Policy

The contribution policy is set by laws of the State of New Jersey and, in most retirement systems, contributions are required by active members and contributing employees. Plan member and employer contributions may be amended by State of New Jersey legislation. Under the provisions of Chapter 78, P.L. 2013, PERS employee pension contribution rates increased from 5.5% to 6.5% of salary, effective October 1, 2012. An additional increase to be phased over the next 7 years will bring the total pension contribution rate to 7.5% of salary. PFRS employee pension contribution rates increased from 8.5% to 10% of salary, effective October 1, 2012. Employers are required to contribute at an actuarially determined rate in PERS and PFRS. The Township's contributions to PERS and PFRS were as follows:

Year Ended December 31,	PERS Amount	PFRS Amount
2013	\$ 1,007,061.00	\$ 4,357,733.00
2012	989,772.00	4,399,305.46
2011	1,042,090.00	5,447,978.18
2010	813,038.97	4,688,541.73

Defined Contribution Retirement Program

The Defined Contributions Retirement Program (DCRP) was established on July 1, 2007 for certain public employees under the provisions of Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007. The program provides eligible members, with a minimum base salary of \$1,500 or more, with a tax-sheltered, defined contribution retirement benefit, in addition to life insurance and disability coverage. The DCRP is jointly administered by the Division of Pensions and Benefits and Prudential Financial. If the eligible elected or appointed official will earn less than \$5,000 annually, the official may choose to waive participation on the DCRP for the office or position. The waiver is irrevocable. This retirement program is a new pension system where the value of the pension is based on the amount of the contribution made by the employee, employer and through investment earnings. It is similar to a Deferred Compensation Program where the employee has a portion of tax deferred salary placed into an account that the employee manages through investment option provided by the employer. The law requires that three classes of employees enroll in the DCRP detailed as follows: All elected officials taking office on or after July 1, 2007, except that a person who is reelected to an elected office held prior to that date without a break in service may remain in the PERS. A Governor appointee by an elected governing body which include the statutory untenured Chief Administrative Officer such as the Business Administrator, County Administrator, or Municipal or County Manager, Department Heads, Legal Counsel, Municipal or County Engineer, Municipal Prosecutor and the Municipal Court Judge. Notwithstanding the foregoing requirements, other employees who hold a professional license or certificate or meet other exceptions are permitted to join or remain in PERS.

14. Retirement Plans (Continued)

Deferred Compensation Plan

The Township maintains a Deferred Compensation Plan (the "Plan") in accordance with Internal Revenues Code Section 457. The plan was not audited or reviewed by our firm.

Any employee of the Township is eligible to participate in the Plan. Participation in the Plan is entirely voluntary on the part of each employee. The Township does not and is not required to make contributions to the Plan. ICMARC is the Administrator of the Plan.

15. Post Employment Benefits

In addition to the pension benefits described in Note 11, the Township provides post employment health care benefits in accordance with the provisions of Ch. 88, P.L. 1974 as amended by Chapter 436, P.L. 1981, at its cost.

Plan Description

The Township contributes to the State Health Benefits Program (SHBP) a cost sharing, multi-employer defined benefit post-employment healthcare plan administered by the State of New Jersey Division of Pensions and Benefits. The SHBP was established in 1961 under N.J.S.A. 52:14-17.25 et seq. to provide health benefits to State employees, retirees, and their dependents.

The SHBP was extended to employees, retirees, and dependents of participating local public employers in 1964. Local employers must adopt a resolution to participate in the SHBP. Rules governing the operation and administration of the program are found in Title 17, Chapter 9 of the New Jersey Administrative Code. SHBP provides medical, prescription drugs, mental health/substance abuse, and Medicare Part B reimbursement to retirees and their covered dependents.

The State Health Benefits Commission is the executive body established by statute to be responsible for the operation of the SHBP. The State of New Jersey Division of Pensions and Benefits issues a publicly available financial report that includes financial statements and required supplementary information for the SHBP. That report may be obtained by writing to: State of New Jersey Division of Pensions and Benefits, P.O. Box 295, Trenton, NJ 08625-0295 or by visiting their website at <http://www.state.nj.us/treasury/pensions/gasb-43-sept2008.pdf>.

Plan Coverage

Coverage applies to certain full –time, qualifying department heads as follows:

1. Retire with at least twenty-five years of full-time service to the Township; and
2. The retired employee and their eligible spouse will be covered until they are respectively eligible for Medicare or eligible to receive paid medical benefits from another source, whichever comes first. Coverage shall cease for the spouse, at the expense of the Township, upon the death of the eligible employee.

15. Post Employment Benefits (Continued)

Funding Policy

Participating employers are contractually required to contribute based on the amount of premiums attributable to their retirees. Post-retirement medical benefits under the plan have been funded on a pay-as-you-go basis since 1994. Prior to 1994, medical benefits were funded on an actuarial basis.

Contributions to pay for the health premiums of participating employees in the SHBP are billed to the Township on a monthly basis. The rates charges by the system for the year ended December 31, 2013 were as follows:

The Township contributes to SHBP for post-retirement benefits for the years ended December 31, 2013 and 2012 were \$86,645.04 and \$102,104.76, respectively, which equaled the required contribution for each year. There were approximately 2 retired participants eligible at December 31, 2013 and 2012, respectively.

16. Property Tax Calendar

The Township property taxes are due the first of February, May, August, and November. The levy is determined upon certification of tax rate by the county. Liens are sold at a tax sale in the subsequent year. The tax sale was held on November 18, 2013 for 2012 taxes.

17. Municipal Court

The Municipal Court department files a regulatory report with the county administrative office of the court. The 2013 report has been filed on June 6, 2014.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and Members
of the Township Council
Township of Teaneck, State of New Jersey

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division"), the financial statements – regulatory basis (the "financial statements") of the Borough of East Rutherford, State of New Jersey (the "Township"), as of and for the year ended December 31, 2013, and the related notes to the financial statements, which collectively comprise Township's basic financial statements, and have issued our report thereon dated June 6, 2014. As described in Note 1, the Township prepares its financial statements on a basis of accounting prescribed by the Division that demonstrates compliance with a modified accrual basis and the budget laws of the State of New Jersey, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Township's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control. Accordingly, we do not express an opinion on the effectiveness of the Township's internal control.

A *deficiency* in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Township's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify certain deficiencies in internal control over financial reporting, described in the accompanying schedule of findings and questioned costs as item 13-01 through 13-04 that we consider to be significant deficiencies in internal control over financial reporting.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Township's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*, and audit requirements as prescribed by the Division, which are described in the accompanying schedule of findings and questioned costs as item 13-01, 13-02, 13-04 and 13-05.

We noted certain matters that we reported to management of the Township in the schedule of audit comments and recommendations as item numbers 13-06.

Township's Response to Findings

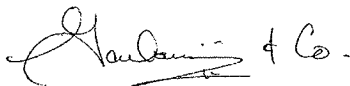

The Township's responses to findings identified in our audit are described in the accompanying schedule of findings and questioned costs. The Township's response was not subjected to the auditing procedures applied in the audit of financial statements, and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* and audit requirements as prescribed by the Division in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY U.S. OMB CIRCULAR A-133 AND N.J. OMB CIRCULAR 04-04

INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and Members
of the Township Council
Township of Teaneck, State of New Jersey

Report on Compliance for Each Major Federal and State Program

We have audited the Township of Teaneck, Bergen County, State of New Jersey (the "Township") compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* and the *New Jersey State Aid/Grant Compliance Supplement* that could have a direct and material effect on each of its major federal and state programs for the year ended December 31, 2013. The Township's major federal and state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal and state programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Township's major federal and state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* and New Jersey's OMB Circular 04-04, *Single Audit Policy for Recipients of Federal Grants, State Grants, and State Aid*. Those standards, OMB Circular A-133 and State Circular 04-04 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal or state program occurred. An audit includes examining, on a test basis, evidence about the Township's compliance with those requirements and performing such other procedures as we consider necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal and state program. However, our audit does not provide a legal determination on the Township's compliance.

Opinion on Each Major Federal and State Program

In our opinion, the Township complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for the year ended December 31, 2013.

Report on Internal Control Over Compliance

Management of Township is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Township's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal and state programs to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal and state programs and to test and report on internal control over compliance in accordance with OMB Circular A-133 and OMB Circular 04-04, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Townships' internal control over compliance.

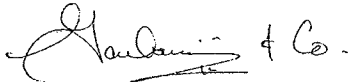

A *deficiency* in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness* in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the preceding paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of U.S. OMB Circular A-133 and N.J. OMB Circular 04-04. Accordingly, this report is not suitable for any other purpose.

All federal financial assistance received directly from federal agencies, as well as federal financial assistance passed through other government agencies is included on the schedule of expenditures of awards.

2. Basis of Accounting

The accompanying schedules are presented using the modified accrual basis of accounting as prescribed for municipalities by the Division of Local Government Services, Department of Community Affairs, State of New Jersey which differ in certain respects from generally accepted accounting principles (GAAP) applicable to local government units. This basis of accounting is described in Note 1C of the Township's financial statements.

3. Relationship of Financial Statements

Amounts reported in the accompanying schedules agree with amounts reported in the Township's financial statements, exclusive of the unappropriated reserves. Financial assistance awards are reported in the Township's financial statements on a basis of accounting described above as follows:

	Federal	State/Other	Total
Current /Grant Fund	\$ 79,755.66	\$ 119,293.21	\$ 199,048.87
Capital	358,327.73	750,000.00	1,108,327.73
	\$ 438,083.39	\$ 869,293.21	\$ 1,307,376.60

4. Relationship to Federal and State Financial Reports

Amounts reported in the accompanying schedules agree with the amounts reported in the related federal and state financial reports.

5. State Loans Outstanding

The Township's New Jersey loans outstanding at December 31, 2013, which are not required to be reported on the schedule of expenditures of state financial assistance, are as follows:

<u>Loan Program</u>	<u>State Account Number</u>	<u>State</u>
Green Acres Loan	Various	\$ 128,750

Section II – Financial Statement Findings

[This section identifies the significant deficiencies, material weaknesses, fraud, illegal acts, violations of provisions of contracts and grant agreements, and abuse related to the financial statements for which Government Auditing Standards requires reporting in a Circular A-133 and New Jersey OMB Circular 04-04 audit. See paragraphs 13.15 and 13.35. See the AICPA Audit Guide *Government Auditing Standards and Circular A-133 Audits* for further guidance on this schedule]

***Finding 13-01:**

All funds shall be deposited within forty-eight (48) hours of receipt.

Criteria:

N.J.S.A.40: A5-15

Condition:

The Fire Department was not always depositing funds within 48 hours.

Cause:

The Fire Department inspectors are collecting fees in the field and are not remitting those collections to the proper personnel within 48 hours.

Effect:

Not depositing within 48 hours.

Recommendation:

That all funds for all departments be deposited within forty-eight (48) hours of receipt, in accordance with N.J.S.A.40: A5-15

Management's Response:

The Chief Financial Officer and the Township Manager will meet with the Fire Department staff to determine what procedural changes are necessary to ensure compliance with the requirements of N.J.S.A. 40:A5-15.

Section II – Financial Statement Findings

Payroll Department:

***Finding 13-02:**

Eligible employees that meet the criteria established by the State of NJ Division of Pensions and Benefits must be enrolled.

Criteria:

- State of NJ Division of Pension and Benefits Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007, and expanded under the provisions of Chapter 89, P.L. 2008 and Chapter 1, P.L. 2010.

Condition:

Several employees that appear to be eligible to meet the criteria are not enrolled in the defined contribution retirement program.

Cause:

- The internal controls do not include monitoring of defined contribution retirement program responsibilities.

Effect:

Employees that meet the criteria are not always enrolled in the defined contribution retirement program.

Recommendation:

That eligible employees that meet the criteria established by the State of NJ Division of Pensions and Benefits be enrolled accordingly.

Management's Response:

The finance department will work with the human resources department to design a system that ensures all requirements of newly hired employees are being met.

Schedule of Findings and Questioned Costs (Continued)
For the Year Ended December 31, 2013

Section II – Financial Statement Findings

Finding 13-03:

Cash reconciliations must be completed on a monthly basis and reconciled to the general ledger.

Criteria:

Internal Control over financial reporting.

Condition:

The Current Fund cash reconciliations to the bank statement were not completed on a monthly basis and not reconciled to the general ledger timely.

Cause:

Unusual circumstances created by various events including the record number of checks issued related to the inordinate amount of tax appeals caused significant problems, which in turn resulted in delays in certain reconciliations being completed accurately.

Effect:

The general ledger had to be adjusted at year end to reflect the correct cash balance and corresponding cash receipts and/or disbursement adjustments.

Recommendation:

That the Current Fund cash be reconciled to the bank statement and to the general ledger on a monthly basis.

Management's Response:

The Current Fund cash reconciliations to the bank statements will be completed and reconciled to the general ledger on a monthly basis.

Section II – Financial Statement Findings

***Finding 13-04:**

Monthly and/or quarterly statements must be sent to developers in accordance with CFO-98-7.

Criteria:

Finance Notice CFO-98-7

Condition:

Monthly and/or quarterly statements are not being sent to developers. The statements must include a listing of all deposits, interest earnings, disbursements, and cumulative balance of the escrow account. The statements must be provided on a quarterly basis, if monthly charges are \$1,000 or less; or on a monthly basis if charges exceed \$1,000. Professionals are also required to send payment vouchers to the CFO, as well as an advice copy to the developer/applicant.

Cause:

Statements are not being sent to developers.

Effect:

Violation of Finance Notice CFO-98-7

Recommendation:

That monthly and/or quarterly statements be sent to developers in accordance with Finance Notice CFO-98-7.

Management's Response:

Subsidiary ledgers for Escrows show balances remaining on nearly 400 accounts dating back as early as 1995 and are not identified by address or block and lot. The finance office has been working with the Engineering department to identify addresses. In addition, the finance office believes that a significant number of these Escrow fund actually belong to the Township. Prior to mailing notices, it is essential that the Township determine the validity of each escrow account. Determining the validity will require extensive research.

For those deposits received in the future, the CFO has arranged for those funds to be maintained in a Bank of America Escrow account. Procedures are being finalized to ensure the required date is being provided by the developers and the bank has the mechanism in place to provide the required statements for the developers in accordance with Notice CFO-98-7.

Section II – Financial Statement Findings

Finding 13-05:

The 2014 Budget has not been introduced/approved by the statutory date.

Criteria:

Finance Notice 2013-25

Condition:

2014 Budget process is not complete.

Cause:

Governing body has not taken formal action.

Effect:

The 2014 Budget document was not sent to D.L.G.S. for review.

Recommendation:

That the 2014 Budget be introduced/approved and sent to D.L.G.S. for review.

Management's Response:

Under the Faulkner Act, budget transmission to governing body was completed on January 9, 2014, to date the budget has not been introduced/approved and sent to D.L.G.S.

Section III – Schedule of Federal and State Award Findings and Questioned Cost

[This section identifies audit findings required to be reported by section .510(a) of Circular A-133 and NJOMB Circular Letter 04-04].

FEDERAL AWARDS

No matters were reported.

STATE AWARDS

No matters were reported.

*Section IV: Summary Schedule of Prior – Year Audit Findings
and Questioned Costs as Prepared by Management*

[This section identifies the status of prior-year findings related to the general-purpose financial statements and federal and state awards that are required to be reported in accordance with Chapter 6.12 of *Government Auditing Standards*, US OMB Circular A-133 (section .315(a)(b)) and NJ OMB's Circular Letter 04-04].

Finding #12-01:

Condition:

Several departments did not maintain a detailed cash receipts ledger, pre-numbered receipts and or permits which detail date received, payee, receipt type, pre-numbered receipt, permit number and amount for every receipt for the entire year. In the last quarter of the year there was substantial improvement in the various departments.

Current Status:

Corrective action has been taken.

Finding #12-02:

Condition:

The Health Department was not always depositing funds within 48 hours. Several other departments could not provide documentation of receipts in order to ascertain that deposits are made within 48 hours.

Current Status:

Corrective action has been taken by the Health Department. See current year audit findings 13-01.

Finding 12-03:

Condition:

- a. A few health insurance deductions tested were not calculated correctly.
- b. The payroll reconciliation is not being done on a monthly basis.
- c. Several employees categorized as seasonal, appear to be full time employees and are not enrolled in the pension system.
- d. New Jersey GIT wages reported on the quarterly Forms #927, did not agree with the payroll records.

Current Status:

Corrective action has been taken on (a), (b) and (d) above. See current year audit findings 13-02.

For the Year Ended December 31, 2013

Contracts and Agreements Required to be Advertised for NJS 40A:11-4

NJS40A:11-4 states “Every contract awarded by the contracting agents, for the provision or performance of any goods or services, the cost of which in the aggregate exceed the bid threshold [40A:11-3 “a contract year the total sum of \$17,500. If the purchasing agent is qualified pursuant to subsection b. of section 9 of P.L.1971, c.198 (C.40A:11-9), the governing body of the contracting unit may establish that the bid threshold may be up to \$36,000.00”], shall be awarded only by resolution of the governing body of the contracting unit to the lowest responsible bidder after public advertising for bids and bidding therefore, except as is provided otherwise in this act or specifically by any other law.”

NJS40A:11-9 states “The governing body of any contracting unit may by ordinance, in the case of a municipality, by ordinance or resolution, as the case may be, in the case of a county, or by resolution in all other cases, establish the office of purchasing agent, or a purchasing department or a purchasing board, with the authority, responsibility, and accountability as its contracting agent, for the purchasing activity for the contract in unit, to prepare public advertising for bids and to receive bids for the provision or performance of goods or services on behalf of the contracting unit and to award contracts permitted pursuant to subsection a. of section 3 of P.L.1971, c. 198 (C.40A:11-3) in the name of the contracting unit, and conduct any activities as may be necessary or appropriate to the purchasing function of the contracting unit.”

The Governing Body of the Municipality has the responsibility of determining whether the expenditures in any category will exceed \$36,000.00 within the calendar year or any twelve-month period. Where questions arise as to whether any contract or agreement might result in a violation of the statute, the Township Attorney’s opinion should be sought before a commitment is made.

The minutes indicate that resolutions were adopted and advertised, authorizing the awarding of contracts or agreements for “Professional Services” per N.J.S. 40A:11-5.

Our examination of expenditures did not reveal individual payments, contracts or agreements in excess of \$36,000.00 “for the performance of any work, or the furnishing or hiring of any materials or supplies,” other than those where bids had been previously sought by public advertisement or where a resolution had been previously adopted under the provisions of NJS 40A:11-6.

Expenditure of \$5,400 or more and less than \$36,000.00 Per N.J.S.A. 40A:11-6.1

N.J.S.A 40A:11-6.1 states, “a. For all contracts that in the aggregate are less than the bid threshold but 15 percent or more of that amount, and for those contracts that are for subject matter enumerated in subsection (1) of section 5 of P.L.1971, c.198 (C.40A:11-5), except for paragraph (a) of that subsection professional services and paragraph (b) of the subsection concerning work by employees of the contracting unit, the contracting agent shall award the contract after soliciting at least two competitive quotations, if practicable. The award shall be made to a vendor whose response is most advantageous, price and other factors considered. The contracting agent shall retain the record of the quotation solicitation and shall include a copy of the record with the voucher used to pay the vendor. Whenever two or more responses to a request of a contracting agent offer equal prices and are the lowest responsible bids or proposals, the contracting unit may award the contract to the vendor whose response, in the discretion of the contracting unit, is the most advantageous, price and other factors considered. In such a case, the award resolution or purchase order documentation shall explain why the vendor selected is the most advantageous.”

Collection of Interest of Delinquent Taxes and Assessments

The statute provides the method for authorizing interest and the maximum rate to be charged for the nonpayment of taxes or assessments on or before the date when they would become delinquent.

The Governing Body on January 1, 2013 adopted the following resolution authorizing interest to be charged on delinquent taxes:

WHEREAS, N.J.S.A. 54:4-67 permits the governing body of each municipality to fix the rate of interest to be charged for nonpayment of taxes or assessments subject to any abatement or discount for the late payment of taxes as provided by law; and

WHEREAS, N.J.S.A. 54:4-67 has been amended to permit the fixing of said rate of 8% per annum on the first \$1,500.00 of the delinquency and 18% per annum on any amount in excess of \$1,500.00 and allows an additional penalty of 6% be collected against a delinquency in excess of \$10,000.00 prior to the end of the calendar year;

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Township Council of the Township of Teaneck, County of Bergen, State of New Jersey as follows:

1. The Tax Collector is hereby authorized and directed to charge 8% per annum on the first \$1,500.00 of taxes becoming delinquent after due date and 18% per annum on any amount of taxes in excess of \$1,500.00 becoming delinquent after due date and if a delinquency is in excess of \$10,000.00 and remains in areas beyond December 31, and additional penalty of 6% shall be charged against the delinquency.
2. Effective January 1, 2013 there will be a ten-day grace period of quarterly tax payments made by cash, check, or money order.
3. Any payments not made in accordance with paragraph two of this resolution shall be charged interest from the due date as set forth in paragraph one of this resolution.

It appears from an examination of the Collector's records, that interest was collected in accordance with the foregoing resolution.

TOWNSHIP OF TEANECK
Summary Schedule of Prior Year Audit Comments
For The Year Ended December 31, 2013

#12-04 RECOMMENDATION:

That monthly and or quarterly statements be sent to developers in accordance with Finance Notice CFO-98-7.

STATUS:

Corrective action has not been taken. See current year audit finding 13-04.

#12-05 RECOMMENDATION:

Recommendation:

1. Case management processing:
 - a). All tickets assigned over six (6) months not issued should be recalled.
 - b). The Cases Eligible for Dismissal Report and Follow-Up Incomplete Report should be reviewed. As per Rule 7:8-9(f), once the case is over 3 years old, and the follow-up procedures available to the municipal court have not been completed, the ticket must be dismissed.
2. The Police department should ensure that, when accepting bail in the form of a check for an out-of-town summons/warrant, the check is made payable to Teaneck Municipal Court. All out-of-town traffic and criminal bail monies posted/disbursed for outside agencies should be receipted through the ATS/ACS automated system.
3. The Police Department and the Municipal Court pre-numbered manual receipt books should be used in sequential numerical order. Also, pre-printed receipt books specifically for use by the Police Department and for use by the Municipal Court should be used by the corresponding department and should not be mixed. Corrective action was implemented January 2013.

STATUS:

Partial corrective action has been taken. See current year audit finding 13-05.

#12-06 RECOMMENDATION:

Fixed Assets

- a) That fixed assets with grant funds be identified on the fixed asset listing as required by NJAC 5:30-5.6.
- b) That fixed assets be tagged and properly identified as required by NJAC 5:30-5.6.

STATUS:

Corrective action has been taken.

TOWNSHIP OF TEANECK
Audit Comments and Recommendations
For the Year Ended December 31, 2013

Municipal Court:

***Comment # 13-06**

1. Review of ATS/ACS Monthly Management Report dated December 31, 2013 indicated a backlog in ticket/complaint processing resulting in the following:
 - a). There were 118 tickets that were no-disposed listed under "Other Statuses."
 - b). There were 6 parking tickets over (3) years old eligible for dismissal.
2. In the Police department, there were (5) instances noted in our test sample where bail was collected for an out-of -town municipal court and where the payment was in the form of a check, the checks were made payable directly to other courts. These bail payment checks were not made payable to Teaneck Municipal Court and were not processed through Teaneck's ATS/ACS system as "out of town bail" as they should have been.
3. Manual pre-numbered bail receipt books utilized by the Police Department were not used in numerical sequence. Controls were implemented in 2013 and pre-numbered receipt books were used in sequence for approximately seven (7) months during the year. There were a few months in the remaining part of the year when receipt books were used out of sequence.

Recommendation:

1. Case management processing:
 - a). The Case Status Report should be reviewed and each ticket/case should be reviewed regularly by the court to insure processing is continued.
 - b). The Cases Eligible for Dismissal Report and Follow-Up Incomplete Report should be reviewed. As per Rule 7:8-9(f), once the case is over 3 years old, and the follow-up procedures available to the municipal court have not been completed, the ticket must be dismissed.
2. The Police department should ensure that, when accepting bail in the form of a check for an out-of-town summons/warrant, the check is made payable to Teaneck Municipal Court. All out-of-town traffic and criminal bail monies posted/dispensed for outside agencies should be receipted through the ATS/ACS automated system.
3. The Police Department pre-numbered manual receipt books used for acceptance of bail should be used in sequential numerical order at all times throughout the year.

Appreciation

We desire to express our appreciation of the assistance and courtesies rendered by the Township Officials and employees during the year.

* * * * *

The problems and weaknesses noted in our review were not of such magnitude that they would affect our ability to express an opinion on the financial statements taken as a whole.
