Safety Messages:

This winter season there has been a lot of rain in our area and it's important to understand the difference between a Flood Warning vs a Flood Watch. Be careful out there.

Besides all the rain, snow is also likely during the winter months. Being prepared is key to getting through the storms.

When a snow emergency is declared, you must move your vehicles off of all Township streets unless they are in one of the posted exempt areas.

For more information on the Township Snow Ordinances including exempt locations and municipal parking lot locations, please see:

<https://www.teanecknj.gov/snow>

ICE & SNOW

Remove It Before You Go

- Remember to remove all ice and snow from your vehicle before driving, especially from the hood, windows and roof.
- Motorists who fail to do so face fines of \$25 to \$75 for each offense, regardless of whether the ice and snow is dislodged from the vehicle.
- If flying ice or snow causes property damage or injury to others, motorists face fines of \$200 to \$1,000 for each offense.
