MANAGER'S MESSAGE

On behalf of all Township employees, I am proud to offer this message to the Township Council and the residents of Teaneck. In 2011, the township enjoyed many successes in the face of significant challenges. Although continued weakness in the economy impacted our municipal budget, teamwork, cost control, and an emphasis on efficiency allowed the workforce to accomplish more for our residents with fewer resources.

During the 2011 calendar year, the Township was hit hard by severe storms including Hurricane Irene and the October 29th snow storm, which caused significant tree damage, extended power outages, and most importantly, the loss of human life. Under these most difficult circumstances, and with the support of the Township Council, employees succeeded in implementing several initiatives including the institution of a new bi-weekly recycling program that increased residential recycling rates by 45% and revenue by 31%, reducing Public Works costs to residents; achieved the Township's first Bronze Certification as a sustainable community from Sustainable Jersey; generated an annual surplus to be used for tax relief in the 2012 budget; implemented a program to accept online tax payments to improve efficiency and convenience for residents; expanded Senior Center course offerings at the Richard Rodda Center; upgraded township infrastructure including the Municipal Complex and installed a new cupola, raised over \$11,000 in donations to assist 288 struggling Teaneck families during the holiday season, as well as, completed numerous other projects.

In late 2011, contaminated soil was discovered in Votee Park as a result of a soil investigation required under our Green Acres Grant for installation of a new synthetic turf soccer and football field. Although the Township took precautionary measures to limit use of the park, our intent is to remediate contaminants, install the new turf field, and to reopen the park expeditiously, while protecting public health and safety.

In 2012, I look forward to working with the Township Council and municipal employees to further enhance municipal services, improve efficiency, and to ensure the Township of Teaneck remains a great place to visit, work, live and raise a family.

TAX ASSESSOR

The Assessor's chief statutory responsibility includes listing and determining the taxable value of all properties in the Township. Ancillary duties include reviewing and processing deeds, assessing and listing new construction, reviewing and processing deduction requests, determining eligibility for exempt status, review and defense of assessments under appeal, and providing information to the public and other departments within the Township.

The Assessor position is unique within the framework of Municipal Government in as much as the municipality selects the Assessor, however, the duties are imposed by State law and are defined in State statutes rather than in local ordinances. In order to ensure these duties are performed without the threat of local interference, the Assessor is directly supervised by the County Tax Administrator and is subject to supervision by the State Division of Taxation.

The department consists of two full-time employees. The current department head is a New Jersey State Certified Tax Assessor, as well as a Certified General Real Estate who has served Appraiser, as the Township's Tax Assessor for the past fourteen years. The Assessing Aide has been with the Assessor's Office since 1993 and has received training in property tax administration through the Center for Government Services at Rutgers University.

As of October 1, 2011, Teaneck had a total of 11,857 taxable real properties with an aggregate assessable value of \$6,011,164,400. This represents a net decrease of \$49,692,900 (-.82%) compared to the aggregate assessable value of real property for the prior year. With the addition of taxable business property, the net valuation taxable was \$6,016,713,585 for use in Tax Year 2012.

The following breakdown by property class was listed in 2011 for use in Tax Year 2012:

<u>Property</u> <u>Type</u>	<u># of</u> Parcels	<u>% of</u> <u>Total #</u>	<u>% of</u> <u>Assessed</u> Value
1-4 Family Residential	11,262	94.98%	86.5%
Commercial	382	3.22%	9.3%
Industrial	15	0.13%	0.7%
Apartments	61	0.51%	3.1%
Vacant Land	137	1.16%	0.4%
Total Land	11,857	100.00%	100.00%

(In addition to taxable real properties, Teaneck has a total of 323 exempt properties, which include schools, municipal properties, houses of worship, parsonages, charitable properties, homes of 100% disabled veterans, and hospitals.)

In 2011, the Township experienced a significant increase in the number of tax appeals filed by property owners seeking reductions in their property tax assessment. The precipitous force driving the increase in filings was the continued weakness in real estate markets throughout the nation.

The following chart lists the number of tax appeals filed with the Bergen County Board of Taxation in the years 2009 through 2011. The bottom row reflects assessment reductions obtained through County Tax Board proceedings for each of the years in question.

	<u>2009</u>	<u>2010</u>	<u>2011</u>
Appeals Filed	540	732	1,084
Total Property Value Contested	\$273,512,300	\$328,293,400	\$562,359,600
Assessment Reductions CTB	\$12,085,300	\$20,497,800	\$44,083,100
% of Total	4.42%	6.24%	7.84%

The preparation of reports for County Tax Board hearings and State Tax Court trials requires a significant investment of time. Subsequently, for the purposes of research, analysis and actual report generation it has become necessary to contract with outside appraisers to assist in the preparation for both entities.

In 2011, a total of 181 current year added assessments, prior year added assessments and prior year omitted added assessments, were levied on properties which were renovated, expanded or newly constructed. These assessments resulted in a total of \$171.567.52 in additional taxes due the Township. Assessment rolls were increased by a total of \$15,961,300 for 2012 as a result of this activity. It is interesting to note that the number of assessments levied in 2011 was significantly higher than 2010. however, the dollar amount collected in taxes was significantly lower. This is due to the fact that 2011's list contained a large number of projects, which were completed in the latter half of the year and pro-rated for fewer months of the year.

The Building Department is responsible for the administration of both the New Jersey Uniform Construction Code (U.C.C.) and the Township of Teaneck's Development Regulations (Zoning Ordinances). Building Department personnel review applications The following lists the number of appeals filed with the State Tax Court for each of the same years. Many of the cases remain pending and involve multiple years rather than completely new filings. In addition, a number of these filings represent challenges to County Board judgments issued in the same year.

	<u>2009</u>	<u>2010</u>	<u>2011</u>
State Tax Court Appeals	184	165	196

Given the weakness in the real estate market, it is anticipated that the current trend will continue to trigger a number of tax appeal filings in 2012. Consequently, the assistance of outside contractors will once again be required to assist in the performance of statutory tasks in 2012.

The recommendation of the Tax Assessor is that the Township Council considers conducting a revaluation/reassessment of all properties for 2013, as a result of the projected volume of appeals, the number and magnitude of reductions granted, and the negative outlook for property values.

In order to complete all necessary tasks, a decision would need to be made early in 2012 on whether to move forward on this project. It is likely that the volume of appeals filed, as well as the magnitude of reductions, could be reduced, but not eliminated, through an updating of the assessment list.

BUILDING DEPARTMENT

for development, conduct field inspections and issue permits and certificates of occupancy. In addition, Building Department staff responds to emergency scenes to assist the Fire and Police Departments with evaluation of properties for suitability of occupancy. Both administrative and technical staffs are available to assist with questions about the need for permits and the process of obtaining them.

The Construction Official, a registered Architect, is responsible for the supervision of the daily activities of the department, which currently consists of ten (10) full-time and two (2) part-time staff members that handle construction, zoning, and land use issues. The remaining staff responsibilities are as follows:

Construction application reviews and inspections are performed by the Building Official, Electric Sub-code Sub-code Official, Plumbing Sub-code Official and Fire Sub-code Official. Inspection activities are supplemented by a Part-time Building Inspector and a Part-time Electric Inspector. Support for the processing and issuance of permits and certificates are handled by two (2) Technical Assistants.

Zoning application reviews and inspections are performed by the Township Zoning Officer and Assistant Zoning Officer. These staff members investigate complaint issues and perform enforcement actions to ensure compliance with the Township Code.

The processing of applications for development, which require approvals by the Planning Board or Zoning Board of Adjustment, is the responsibility of the Technical Assistant for Land Use.

The Building Department issued 2,508 U.C.C. construction permits in 2011 with a construction value of \$27,812,513, compared to 2,344 U.C.C. construction permits in 2010 with a construction value of \$29,175,159. There were 18 permits where all fees were waived. The waived fees

totaled \$41,267. These permits encompassed both municipal and Board of Education projects.

In addition, the Building Department issued 652 Zoning Permits after reviewing a total of 784 Zoning Permit Applications. The denied applicants have either abandoned their projects, modified the proposals to be code compliant or are in the process of applying for necessary variances or site plan approvals.

The Township received a total of \$973,351 in revenue from various permits and fees, and the department personnel performed inspections/reviews from the following Building Department activities:

U.C.C. C	onstruction A	ctivities
	Revenue	Inspections
Building		4,248
Plumbing		4,439
Electric		2,480
Fire		1,405
Permits	\$769,994	
Certificates	\$36,110	
Penalties	\$10,165	
Miscellaneous	\$8,832	
SUBTOTAL	\$825,101	12,572
	<u>Revenue</u>	<u>Activity</u>
Permits	\$81,875	1461 Reviews
Planning Board	\$12,870	31 Appeals
Zoning Board	\$53,505	65 Appeals
SUBTOTAL	\$148,250	

Considering the continued state of the economy, construction activity levels posted slight increases from 2010 for both permits issued and revenues collected. Teaneck, however, continues to outpace many municipalities in the region with steady residential construction activity. Expectations are for modest increases in permits issued and revenues collected, with totals keeping pace with the improving regional economy.

In 2011, the Building Department accomplished its goal of reducing both

application review times and inspection schedule times, thereby providing a better service product to the public. The addition of a second Technical Assistant to support application processing efforts and the use of part-time inspection staff were instrumental in realizing this goal. Staff initiatives to acquire additional licenses and crosstraining into other disciplines aided this effort.

MUNICIPAL CLERK

The Clerk is appointed by and serves as secretary to the Township Council. The responsibilities of this position include the preparation of agendas, the keeping of minutes, the retention of original copies of ordinances, resolutions, contracts, and other official documents.

Furthermore, the Clerk serves as the custodian of all Township records, acts as liaison to the public, and correspondent on behalf of the Council. Additionally, the Clerk supervises voter registration and elections, issues licenses for liquor, amusement games, towing, movie theaters and taxi cabs. The Clerk manages livery compliance and issues parking decals as well.

Copies of the Township Code, Development Regulations, the One Hundred Year Book, Historic Landmark Guide, Township Street Map, and Zoning Maps, are made available for purchase through the Clerk's Office.

The Clerk's office staff consist of (3) employees; the Registered Municipal Clerk, with 8 years of service to the Township, (1) full-time Senior Clerk and (1) full-time Clerk Typist.

In 2011, the Township Clerk's office issued the following:

Permit/License	Volume	Revenue
Resident Parking Decals	176	\$8,800.00
Commuter Parking Decals	42	\$2,100.00
Merchant Parking Decals	205	\$10,250.00
Livery Compliance Correspondence	11	\$3,250.00
Taxi Cab Cards	10	\$500.00
Towing Licenses	4	\$2,200.00
Amusement Game Licenses	4	\$2,100.00
Movie Theater Licenses	1	\$800.00
Raffle Licenses	24	\$2,600.00
Liquor Licenses		\$70,564.00
a) Club	3	
b) Consumption	17	
c) Distribution	10	
d) Hotel Exception	1	
Total Fee Revenue		\$103,164.00

Furthermore, since the Clerk's appointment in February, 2011, she has focused her efforts on reassessing existing conditions to streamline mandated procedures.

The Goals and Objectives for 2012 are to continue the reassessment and review of current practices and procedures to achieve

The mission of the Municipal Court is to achieve justice while remaining neutral and independent of the Executive and Legislative Branches of Government. This judicial independence is important to ensure confidence in the legal system by the

The Municipal court handles all traffic, criminal and local offenses filed within the Township of Teaneck. Offenses of a more serious nature are turned over to the County Prosecutor's office for final disposition.

litigants served.

The Court is Municipal completely automated. utilizing the Statewide Automated Traffic System (ATS) and the Automated Criminal System (ACS). The ATS/ACS system is connected with the New Jersey Motor Vehicle Commission for prompt reporting of court dispositions and drivers license suspensions of defendants, who fail to pay assessed fines and costs, satisfy traffic summonses, or criminal disorderly persons offenses.

The Executive components of the Teaneck Municipal Court are the Honorable Judge, and a Certified Municipal Court Administrator. The Municipal Court support staff consists of two (2) Senior Clerks and three (3) Clerk Typists. greater effectiveness and efficiency in the department. The commitment is to researching innovative methods which will facilitate improved operations and increase customer satisfaction while holding cost to a minimum. Finally, there is a plan to provide extensive hands-on training to the staff with regards to all statutory areas of the Municipal Clerk duties and responsibilities.

As one of the larger courts in Bergen County by volume, the Municipal Court staff disposed of 18,107 traffic offenses and 726 criminal offenses in 2011. This statistic left a minimal amount of cases issued in 2011 to be disposed of in the new year.

An important goal of the municipal court is to work with the Township to engage a private collection agency to collect an estimated \$400,000.00 in outstanding debts owed to the court. Although the staff has not been successful in the collection of the estimated outstanding debt; they have worked in earnest and collected an estimated total of \$1.4 million dollars in fines and costs in 2011. Of the estimated collected total, \$690,590.00 was remitted to the Township Treasurer, leaving an estimated balance of \$719,000.00 for disbursement to other agencies, primarily the State Director of the Motor Vehicle Commission and the County of Bergen.

In 2011, the Municipal Court, in conjunction with the Police Department, implemented the e-ticketing paperless traffic summons system. This system will reduce costs associated with the processing of summonses.

In 2012, the Court will continue to focus on efficiency and the collection of outstanding fines.

MUNICIPAL COURT

ENGINEERING DEPARTMENT

The Engineering Department provides the engineering services for the Township's infrastructure systems. The infrastructure includes storm drain systems, sanitary sewer systems, buildings, grounds, parks, roadway systems, traffic signals, and various services required for public works. The Engineering Department prepares capital improvement programs as they relate to the preparation of the capital budget and the implementation (engineering design and construction administration) of these programs. In addition, the department reviews the impact that new developments will have on the Township's infrastructure, such as traffic conditions, sanitary sewer, and storm water systems.

The Engineering Department has two fulltime employees; the Township Engineer and one full-time Clerk Typist, who is shared with the Public Works Department. Additionally, one part-time Clerk Typist supports the Engineer.

The Township Engineer is a licensed professional, certified to practice within the States of New Jersey and New York. Furthermore, he is a Certified Public Works Manager in the State of New Jersey, and holds an Associate's Degree in Forestry and Surveying and a Bachelor of Science Degree in Civil and Environmental Engineering. He has over 30 years experience working in municipal government, which includes almost 15 years with the Township.

Selected projects completed in 2011:

- Ward Plaza Streetscape included the construction of a landscaped island and the installation of new decorative street lights
- Resurfacing of Robinson Street funded through a Community Development Block Grant
- o Annual Safety Pruning of Trees
- Acquisition and planting of new trees throughout the township
- Resurfacing of Queen Anne Road from Cedar Lane to Fort Lee Road funded by the NJDOT
- Various Road Resurfacings
- Interior demolition and remediation of the Old Police Building
- Improvement of the Greenhouse/ Community Gardens Storm Drain System
- Environmental Cleanup, including asbestos removal required for the HVAC project at the Teaneck Public Library
- Environmental Cleanup, including lead removal from the old shooting range at the Public Works Complex
- Wading Pool Barrier-Free enhancements, partially funded by the Bergen County Open Space Trust Fund
- Basketball Court Resurfacing at various parks
- Library heating improvements, including new boiler, piping, and various air handler replacements
- Municipal Complex Improvements, including installation of new walkways at the front of the

municipal building, stair repairs, front door replacement, exterior repairs to the building, and installation of a new cupola

Selected projects scheduled for 2012:

- Greenbelt Improvement Including the reconstruction of a pedestrian walkway, along the north bank of Route 4 from Sussex Road to Dartmouth Street. Additionally, the project includes fence repairs, installation of walkway lights, and storm drain improvements
- Grant Terrace Sanitary Sewer Improvements - Replacement of a portion of the sewer line between Lindbergh Boulevard and Fycke Lane
- Court Game Area Renovations -Phelps and Votee Parks were bid in

The Finance Department is responsible for safeguarding, receipt, investment. the disbursement, and reporting of municipal funds, including tax collection and accounts payable. Furthermore, the department is accountable for meeting financial compliance and reporting standards promulgated by the NJ Division of Local Government Services.

The department provides financial data to staff and prepares financial reports, including the Annual Debt Statement (ADS) and the Annual Financial Statement (AFS). The ADS is required to be filed with the State by January 31^{st} of each year and outlines the Township's debt condition. The debt capacity of any municipality in New Jersey cannot exceed 3.5% of the

2011, including resurfacing of tennis courts and wall repair of the handball court in Votee Park

- Library Air Conditioning Improvements – Including second phase of HVAC upgrades, and replacement of existing cooling system
- Winthrop Rd. Sanitary Sewer Improvements – Completion of construction and repaving of roadway between Windsor Rd. and Jefferson St.
- Votee Park and Synthetic Turf Field Project - including remediation, installation of synthetic turf and appropriate drainage

In 2012, the Engineering Department will continue its proactive approach to upgrading and maintaining the Township's infrastructure and facilities.

FINANCE DEPARTMENT

municipality's "state equalized valuation" average for three years. The Township's debt ratio is .49%. The AFS is the sworn statement of the Townships Chief Financial Officer attesting to the municipality's financial condition. This report is required to be filed with the State by February 10th of each year.

In addition to its financial duties the department is responsible for tax collection, Vital Statistics and Management Information Systems (MIS).

The department is comprised of a Certified Municipal Finance Officer, Accountant, Certified Tax Collector, Assistant Tax Collector, two part time tax collection assistants, Licensed Registrar of Vital Statistics, Deputy Registrar, MIS Specialist and MIS Technical Assistant.

In 2011, the Finance Department disbursed more than \$60,000,000 in budget appropriations through the processing of more than 4,000 vouchers. In addition, the Department prepared a bimonthly payroll for over 338 full time employees as well as for over 250 part time and seasonal employees, and prepared all State and Federal payroll returns.

The Finance Department provided administrative support to the Cedar Lane Management Group (CLMG) by maintaining its financial records and preparing its payroll returns through the end of the year. The CLMG is an agency of the Township that manages the Cedar Lane Special Improvement District.

Managed by the Tax Collector, the Tax Office is the central receiving agency for all municipal revenue collected for licenses, fees, permits, fines, etc. In addition to tax collection, this office handles billing, processing of senior citizen and veteran deductions, and performs tax searches on more than 12,000 properties in response to inquiries from residents, attorneys, realtors, banks and mortgage companies.

In 2011, the Township began accepting check, credit and debit card tax payments online through our website. Furthermore, the Tax Office collected 97.56% of the total tax levy of \$143,730,387.60 and collected

\$429,553.84 in hotel occupancy taxes. Combined with all other revenues and fees, the Tax Office collected over \$150 million in 2011. All funds were recorded and deposited by Tax Office employees within 48 hours of receipt as required by state law.

The Registrar of Vital Statistics issued the following documents in 2011.

Document	Number Issued
Birth Certificate	1,569
Copy/Birth Certificate	1,593
Marriage License*	235
Copy/Marriage Lic.*	164
Death Certificate	1,124
Copy/Death	264
Certificate	

*Includes Domestic Partner Licenses

The Finance Department's MIS division maintains and manages a local area network that connects all departments. Over 100 computers and servers (excluding the Police Department) are serviced by two MIS employees. The division manages technology for the Township including telephone systems and our website. The division is scheduled to launch the new Township website in April 2012.

In 2012, the Finance Department will undertake a major project to upgrade its financial software, in order to create a more efficient, integrated and automated financial reporting system.

FIRE DEPARTMENT

The primary goal of the Teaneck Fire Department is to prevent fires from occurring. When a fire does occur the goal is to immediately protect life and property by promptly confining, controlling and extinguishing the fire while rescuing any trapped occupants. In addition to responding to all fire alarms, the department is often called upon to assist in the case of auto accidents, rescue missions and other emergencies. The Fire Department had 93 members in 2011, including 31 Officers, 60 firefighters and 2 civilians. The Department responded to 4,227 alarms in 2011. This is the highest number of responses in the history of the fire department. The alarms were received as follows:

Activity	<u>2011</u>	<u>2010</u>	<u>2009</u>
Fires	256	310	369
Other Emergencies	1,369	1,057	952
Alarm, No Fire	991	1,162	1,124
Mutual Aid	39	31	22
Other Services	1,562	1,426	1,126
Totals	4,227	3,986	3,593

In 2011, the department experienced a number of challenges regarding serious fires. The severity and intensity of such fires exceeded normal averages. A total of 196 classified structure fires occurred in buildings. Quick action on the part of fire officials prevented more serious damage in many cases.

Some fires were the direct result of the October 29th snow storm and power outage. Fires were triggered in three homes, where stoves were being used as a substitute source of heat. The prolonged misuse of a generator operating in a shed was the cause of another fire, which spread to an adjoining Improper storage of flammable home. materials in close proximity to an electric heater resulted in another fire, upon power restoration. Damages from Hurricane Irene caused a house fire, when a tree damaged the homes' service wires causing the electrical panel in the basement to ignite.

Additionally, arson played a role over the past year in fire incidents, both of a malicious and mischievous nature. Failures

in existing house wiring were responsible for two serious fires, while occupant misuse of power strips and extension cords in place of permanent outlets were the culprit in others.

The use of torches to solder plumbing joints without proper checks for hidden fire was the cause of major damage to two homes. Almost all of the most serious fires were in residences, except for one each in a school, a college student center, a midrise office building and a commercial laboratory. These buildings were all equipped with full smoke devices with direct alarm detection connections to the fire department. In each case, damage and threat to human life was minimal. The most serious residential fires frequently occurred in homes with no working smoke detectors. In other cases, residents used precious time investigating or trying to extinguish the fires themselves as opposed to immediately evacuating and calling the fire department. On a positive note, Automatic Fire Detection Systems and the appropriate use of fire extinguishers abated many potential losses.

Fires from unattended candles, misuse of fireplaces, and water flooding gas heating appliances continued to be problematic. The department's Fire Prevention and Protection Program, including fire safety education, fire code enforcement, and a network of fast receipt and alarm dispatch, facilitated fast response time by our team of well-trained firefighters from neighborhood fire stations. Through this program fires were prevented contained. and others benefiting the community and reducing fire losses. including life, health, and property.

Teaneck's fire alarm boxes were used to report 35 fires, including six "working" fires in 2011. In addition, they were used to report 64 emergencies, including 34 pre-fire smoke conditions and a variety of other incidents including medical emergencies, electrical accidents, steam leaks, etc.

In 2011, the Fire Department conducted 4.420 fire prevention and related activities/inspections. Of that number, 784 meetings with fire protection were contractors for upgrades and repairs; 333 were unsafe complaint inspections and 181 were follow-ups on unsafe condition reinspections issued by fire suppression companies on emergency responses.

Neighborhood fire companies conducted approximately 1,800 in-service inspections. The Fire Prevention Bureau performed 615 home smoke detector and carbon monoxide detector inspections with regard to the resale of single or two family homes. The Bureau continued its' practice of annual inspections conducted by our Fire Prevention staff.

Additionally, members of the Bureau developed a power point training program for all fire department members on how to perform fire company in-service inspections. Fire Prevention staff members responded to 104 fire scenes throughout the year to assist fire suppression personnel with manpower needs and investigations.

Over the past year, uniformed members of department attended the continuing education courses covering a broad variety of subjects, including: practical exercises in fire attack; search and rescue; confined space operations; emergency "bailout" evacuation devices and techniques; foam operations and tool/apparatus use; cardioresuscitation pulmonary (refresher): automatic external defibrillators (refresher): basic life support (refresher) and rope/anchor systems. In addition, members attended classroom sessions on: Self Contained Breathing Apparatus (SCBA)

breathing techniques/smoke inhalation: asbestos awareness: specialized tool/equipment usage and care; incident management; fire attack in contemporary buildings: water supply; fire scene ventilation operations; incident response to radiation emergencies; incident response involving photovoltaic (solar) systems; first (recertification); responder township workplace harassment training; and PEOSHA mandated annual training on workplace hazards. Fire department supervisors received specific training on report and documentation. writing Individual members continued to expand their knowledge by attending advanced fire training programs outside of the department.

In 2011, the department hired five new firefighters to replace retiring members. All Fire Department members are CPR & AED certified, and maintain certifications as either, NJ Emergency Medical Technicians and/or Medical First Responders. The fire department continued its' response to serious motor vehicle accidents, along with the Teaneck Police Department and the Teaneck Volunteer Ambulance Corps on Routes 4, 80, 95 and on local streets.

Later in the year, the department accepted delivery of a 2011 Sutphen Fire Engine, purchased as part of our plan to upgrade fire apparatus. As a result, the department will retire a 1982 Engine.

Over the past year, the Fire Department received mutual aid assistance 23 times and provided mutual-aid 15 times to surrounding communities at multiple alarm fires. The Department is a member of the Mid-Bergen Mutual Aid Association and serves as the Mutual Aid Dispatch Center.

The Fire Department endeavors to seek funding opportunities for the purpose of purchasing additional life saving equipment. In 2011, the department received a Federal Grant of \$153,000 to purchase needed equipment for four of our engines and one of our ladder trucks. This followed the receipt of another Federal Grant in 2010 for \$64,400 to purchase six Thermal Imaging Cameras and six multi-gas detectors.

Current department goals are to provide all Teaneck Fire Department apparatus the following needed items with quantities listed; Thermal Imaging Cameras (2), all fire department vehicles with automatic defibrillators (14), Multi-gas detectors (3), first aid kits for vehicles (12), Oxygen kits for vehicles (12), hand lights for vehicles (6), forcible entry sets (12) and hydraulic entry tools (7). Additionally, the department is actively pursuing avenues to fund the purchase of specialized water rescue and ice rescue equipment.

HEALTH AND HUMAN SERVICES DEPARTMENT

The mission of the Teaneck Department of Health and Human Services is to provide programs and services, which promote and protect the health, welfare and safety of all men, women and children, who live, work or do business in the Township of Teaneck.

Various department programs offered include environmental inspections of retail food establishments, public bathing facilities, housing, and daycare facilities. Furthermore, the department conducts lead inspections, handles property maintenance issues, vector and rabies control, as well as heat and noise complaints.

The department provides Public Health Nursing services to address childhood health care issues through their Child Health Clinic as well as adult health through their Annual Health Fair, Influenza Clinic, screenings and ongoing educational programs. Lastly, the department provides Social Services to the community and serves as the coordinator for the Municipal Alliance Against Substance Abuse.

The staff is comprised of (7) full time employees including the Health Officer, MA, CPM, with 19 years of service to the Township, (4) Registered Environmental Health Specialists, (1) Social Work Specialist and (1) Senior Clerk Typist. One

staff member is state certified as a Lead Inspector-Risk Assessor and another in Noise Control Enforcement. Additionally, the Health Department employs a number of part-time and contractual employees. The Teen Clean Program generally employs (7) Teaneck High School students that clean and maintain municipal grounds and public The Township has an annual places. contract for Public Health Nursing with Holy Name Medical Center, which provides as many as (8) staff members to execute related programming. In 2011, the Health managed Department the Township's contract with the Bergen County Animal Shelter for animal control services, as well as, the contract with Viking Pest Control, who provides up to (3) employees to service public places to control vectors and infestation.

In 2011, the Health Department executed and performed the following:

- ➤ 443 inspections of retail food establishments
- 1,465 property maintenance inspections
- ➤ Collected \$3,348 in fines
- Managed (62) property clean-ups or summary abatements
- Conducted (210) air conditioner/noise inspections

- Provided Social Services to (1,533) clients a 10% increase over the previous year
- Collected over (\$137K+) in revenue or a 2% increase over 2010
- Conducted Annual Health Fair, Flu Clinic and Social Services Fair
- Coordinated the Township Safety Committee and Municipal Alliance

HUMAN RESOURCES DEPARTMENT

The Human Resources Department (HR) is charged with the responsibility of furthering the Township's goals through support of the workforce. The department seeks to provide employee services that promote a work environment characterized by fair and equitable treatment, open communication, personal and professional accountability, trust and mutual respect. The HR Director works to proactively provide solutions to workplace issues that support and optimize the operating principles of the Township. HR promotes a teamwork philosophy and has achieved a high level of success in managing employee satisfaction, resulting in improved productivity, efficiency and enhanced customer service.

The department is responsible for maintaining all employee personnel records; the administration of the employee benefits program; maintenance of the pay and classification system; implementation and adherence to personnel policies and procedures; and to ensure compliance with NJ Civil Service Commission, Federal, State and local regulations regarding the Township's 338 full time and part time Furthermore, HR employees. services several hundred of the Township's seasonal employees.

The Human Resources Department consists of two (2) full time employees; The Director of HR, and a Payroll Administrator. The Director has served the Township in various capacities for over 28 years. The Payroll Administrator has an Associate's Degree and is a New Jersey State Certified Payroll Administrator with 18 years of service to the Township, having spent the last 10 years concentrating on the administration of payroll and benefits.

The Human Resources Department provided the following services to the employees of the Township in 2011:

- Complaint/Conflict Resolution
- Personnel Investigation
- Anti-Harassment Training
- > Recruitment
- Various training programs to promote individual success and increase overall value to the organization
- Workplace safety training and monitoring
- Employee Recognition Programs
- > Worker's Compensation Admin.
- Employee Evaluations
- Benefit seminars

In 2011, the State Legislature enacted several reforms, which increased employee contributions to health and pension benefits. HR continues to manage the Township's compliance with the new laws to ensure employees are contributing at the appropriate level of the laws various phases.

Against Substance Abuse for the 16th consecutive year

In 2012, the Health Department will continue to proactively focus on its core mission of protecting the health and safety of those who visit or reside in the Township.

HR will continue its effort to support the workforce using innovative methods to

The Township's Legal Department comprises attorneys serving the Township, the Planning Board, the Zoning Board of Adjustment, the Rent Board, the Civilian Complaint Review Board. the Environmental Commission. and the Historic Preservation Commission, as well as a Labor Attorney, а Municipal Prosecutor, and a Public Defender. Each of these attorneys is in private practice and serves the Township on a part-time basis. The Township Code of Ethics bars each of the appointed attorneys, and other members of their firms, from appearing before any Township agency, board or department on behalf of private clients.

Apart from litigation, the members of the Department serve the municipal government in a number of ways. They attend all meetings of the boards to which they are assigned, they render advisory opinions to municipal appointed and elected officials, facilitate the business and they of government, including drafting public contracts and local laws. The Municipal Prosecutor attends all sessions of the Municipal Court, where the Prosecutor presents all criminal charges on behalf of the Township and the Police Department, and the Public Defender assists those defendants that cannot afford legal counsel. The Public Defender also acts as legal counsel to the Civilian Complaint Review Board.

The Township Attorney may also serve as attorney for the Self-Insurance Commission which administers the self-insurance program. That program was in existence since 1976 through 2010, when the Township successfully acquired insurance coverage. The Insurance Commission improve employee relations, efficiency and productivity.

LEGAL DEPARTMENT

coordinates with our insurance consultant and insurance companies. In addition, the Township Attorney serves as the attorney for the Rent Board.

The Following is a brief summary of major pending litigation as of December 31, 2011:

- Toffler v. Teaneck. Civil Rights issues.
- Geriatric Services Inc. v. Teaneck. Zoning issue dealing with access.

Notices of Tort Claims

As of December 31, 2011, there were approximately 29 Notices of Tort Claim on which the statute of limitations for filing suits has not expired.

Workman's Compensation Cases

POLICE DEPARTMENT

The mission of the department is to safeguard the lives and property of the people they serve, to reduce the incidence and fear of crime, and to enhance public safety, while working with diverse communities to improve their quality of life. Members of the department are committed to the highest ethical standards and to providing public service with honor, integrity and respect.

The department is further charged with the prevention and solving of crimes. Their objective is to work in partnership with the community to achieve a high sense of security. The department strives to promote community partnerships and to elevate the level of public safety through public education, continuous training, technology, and law enforcement.

The department is comprised of 96 sworn officers, including the Chief, and is divided into three divisions; Operations, Investigations, and Service. Additionally, the department has 9 dispatchers, 9 civilian support staff members, 3 Parking Enforcement Officers, 25 school crossing guards, and 11 Auxiliary Police volunteers.

The Chief of Police holds a Masters Degree in Public Administration and has served the Township for over 27 years.

In 2011, the department received 79,389

There were approximately 10 cases.

Various State and County Tax Appeals

There are approximately 174 combined residential and commercial State and County tax appeals under supervision by the Township Attorney's office.

calls for service, resulting in the filing of 11,026 police reports.

Police made 1302 arrests, including 47 arrests for Driving While Intoxicated (DWI).

In 2011, members of the department drove approximately 440,000 miles patrolling township streets, issued 16,325 motor vehicle summonses, including 8,885 moving violations and 7,440 parking violations. Of those summonses, 1,286 were for violation of the Township's Snow Emergency Ordinance and 888 were for violation of the Cellular Phone statute.

Additionally, 1,503 accident investigations were conducted and 263 vehicles were impounded.

Service Bureau:

Staffed by police officers and civilians, the Bureau is charged with facilitating the department's training, national recognition through CALEA program, evidence collection, firearms licensing, alarm registration, police records management, as well as, public records access.

During 2011, the bureau collected \$17,750 in alarm registration fees, as well as \$5,450 in false alarm fines. Additionally, the unit collected \$13,544.34 in miscellaneous fees, \$9,330 in identification fees, and \$445.08 in all other fees. The total amount of fees collected for 2011 was \$46,519.42.

Detective Bureau:

The bureau is comprised of a diverse group of law enforcement experts that investigate all crimes within the Township, other than those investigated by members of the Juvenile Bureau. They are also responsible for providing security for our Municipal Court.

Offenses investigated range from robbery to Homeland Security related issues. The detectives assigned to the bureau's Anti-Crime Squad continue to take proactive approaches to street crimes such as robbery, burglary and narcotics distribution, which have yielded significant arrests of suspects engaged in these offenses.

Detectives have successfully used established relationships with citizens, businesses and other institutions to rapidly respond to crimes and work with our County, State and Federal Law Enforcement partners to solve these crimes.

The Juvenile Bureau:

The bureau is comprised of highly trained detectives who investigate cases involving juveniles, families and gangs, as well as, provide a uniformed detective, who is assigned to Teaneck High School as the School Resource Officer.

During 2011, juvenile detectives investigated cases of child abuse, sexual abuse, missing and exploited children, graffiti, bicycle theft, family crisis, bias incidents, violators of Megan's Law, as well as, crimes that occurred on school property. Members of the Juvenile Bureau maintain close relationships and work collaboratively

with our public and private schools to provide safe and secure learning environments. Presentations were made to students, parents, teachers and others on a wide range of topics that include the perils of gangs, alcohol and drug abuse. Their close working relationship with public school officials facilitated involvement in the planning, coordination and staffing of the annual pre-thanksgiving bonfire, the prom "Show-Off," and culminating with the high school graduation.

Community Policing Bureau:

Re-established in 2011, officers assigned to this unit have worked to address chronic quality of life issues by applying problemsolving techniques to abate concerns. The squad spearheads the police department's community education effort, including addressing various contemporary issues through seminars and events such as emergency preparedness meetings, and National Night Out.

Traffic Bureau:

The bureau is staffed by skilled Police Officers, who specialize in working to ensure that pedestrians and motorists are able to safely and conveniently maneuver throughout the Township.

The Traffic Bureau educates residents on safety issues and enforces traffic laws.

Additional areas of focus include DWI awareness and enforcement, Pedestrian Safety, Child Passenger Safety Seat Inspections, Auxiliary Police, School Crossing Guard, and Parking Enforcement officer management.

Looking forward, the police department is in the final phase of attaining National Recognition from the *Commission on* Accreditation for Law Enforcement Agencies, Inc. (CALEA).

The Recognition process will be complete during 2012. National Recognition symbolizes the commitment of police personnel to provide service with honor, integrity and respect. Members are held to the highest standards of conduct and professionalism in their activities.

"CALEA exists to improve the delivery of public safety services by maintaining a *credible* and best-in-class body of standards,

The Public Library serves as an information, education and entertainment resource for the Township's residents. It endeavors to serve all residents with a professionally selected and managed collection of materials in both print and non-print formats. It provides assistance in reference queries that enrich a person's personal and professional life. Programs are organized to serve the very young (story times) and the adult populations. It offers a seven-day schedule vear-round, including many holidays. allowing people to have access to resources, the internet, Wi-Fi, and space for study.

Library staff includes, seven full-time professional Librarians. The Library Director, has a Masters in Library Science with 34 years experience as a Director. There are two Supervising Librarians. One is head of reference services and has expertise in the area of web page development and information technology. The other is the head of children's services and oversees the library's services to the pre-school, elementary school and middle school populations. All the librarians hold Master's degrees in Library Science. Α total of fifty people are employed by the library. Of this number half are full-time employees and the balance are part-time developed by a highly regarded group of public safety practitioners; establishing and administering an accreditation process; and recognizing professional excellence through a highly coveted, comprehensive awards program."

In 2012, the department will apply for State Accreditation through the New Jersey State Association of Chiefs of Police. The department will continue to implement best practices using available technology to increase effectiveness and efficiency.

PUBLIC LIBRARY

with varying numbers of hours worked weekly.

In 2011, the library maintained its' position as the busiest in the Bergen County Cooperative Library System (BCCLS) consortium of 74 public libraries. Lending of materials did decline from record levels as the recession eased coupled with the two week closure for asbestos abatement. The library remains number one in the BCCLS when you measure collection turnover. This figure indicates how many times each item in the library is borrowed and Teaneck far surpasses its neighbors.

The library survived the Irene and Halloween storms with minor damage and only brief power outages. It became a community center for electricity and internet access following the Halloween nor'easter and was featured on local newscasts.

The carpeting in the children's room was replaced with a bright, new design. A major leak in the library's auditorium was repaired after causing damage to the exterior walls and carpet.

Lucille Bertram, the head of the Reference Department, retired after more than 40 years of service to the community. The library promoted her successor from within, which was most fitting.

A new heating system was installed in a project that lasted seven months. After closing from May 18 to June 1 for asbestos abatement, the library re-opened and experienced two of the busiest days in its history. Despite the disruption and noise caused by the project, the library maintained its services for the remaining six months of The new system replaces the year. antiquated equipment and promises a higher level of comfort and efficiency. The library experienced one day of closure resulting from the parking lot being occupied by a heavy crane. The library was thrilled to be the recipient of a grant from the Bill and Melinda Gates Foundation, administered by the New Jersey State Library. This generous grant enabled the library to increase computer and internet access for the public.

The library added three new computers to its public access internet fleet, and has made plans to install five new desktops at the Richard Rodda Community Center for computer classes for our Senior residents. The library also investigated the expansion of the number of electric outlets at various locations in the building for Wi-Fi users.

In 2012, a contract has been awarded for a new air conditioning system as phase two of the HVAC project described above. The

goal is to have it fully functional when the season begins.

The library cooperative, BCCLS, will switch software programs this coming December. The library will strive to ensure all staff is comfortable with use of the new program and that any changes or enhancements are communicated to the public.

The library plans to actively monitor and technology developments assess with respect to internet streaming, e-books, and music on-line. The library is already experiencing a drop in music CD usage, only one example of changes that are coming in the near future. The great increase in sales of Nooks, Kindles, and iPads suggest that more people expect to download books and other print materials. The library will work with its partners to increase funds for downloadable books.

The library will install a new phone system as the current one is 17 years old and in need of replacement. The Library's existing windows are single pane and woefully energy inefficient. The library is preparing for the installation of new windows in the 1936 vintage reference room.

The library will complete a strategic planning process covering the next three years. A Library Trustee and the Director completed a day and a half of training which has prepared them for completion of work slated for the library this spring.

PUBLIC WORKS DEPARTMENT

The Public Works Department or DPW is responsible for maintenance of public areas and facilities of the Township. The DPW endeavors to retain the communities' cleanliness, safety and aesthetic appearance through execution of proactive and preventative maintenance programs. The Director of Public Works has 30 years of service to the Township and is a Certified Public Works Manager, as well as, a Certified Recycling Professional. The department's administrative support staff consists of an Assistant Superintendent of Public Works, Division of Motors Manager, Confidential Secretary and a Senior Clerk Typist, who is shared with the Engineering Department. There are an additional 52 full time Public Works employees. The DPW is divided into five divisions that provide a comprehensive array of services.

Street and Sanitation Division:

Responsible for maintenance of 124 miles of improved roadways and approximately 2 miles of unimproved roadways, including snow plowing and snow removal operations. This division cleans and sweeps roadways, Municipal parking lots, collects leaves, garden debris, trash from public receptacles, and provides curbside pick-up of recyclables from residences. Additionally, the division installs and maintains traffic signs, street name signs, and roadway markings including crosswalks and parking stalls.

Sewer Division:

Handles routine maintenance and repair of approximately 170 miles of sanitary and storm drain sewers and more than 5,700 manholes, catch basins, culverts, and head walls.

Garage Division:

Provides preventive maintenance and repair services for 72 Public Works vehicles, 60 Police vehicles, 26 Fire vehicles, 3 Recreation vehicles, 1 library vehicle, 7 back-up generators, and over 200 other equipment items.

Parks and Tree Division:

Maintains 25 local parks, encompassing approximately 225 acres, over 20,000 trees along public streets and the grounds of municipal facilities, including trees, shrubs and flowers. Additionally, the division maintains approximately 200 Township owned lots, one in-ground swimming pool and one above ground pool.

Maintenance Division:

Handles upkeep of the physical plant and mechanical systems of all municipal facilities including HVAC, plumbing and electrical. Additionally, the division is responsible for maintenance of a networked fire alarm system.

In 2011, the DPW and its various divisions successfully completed the following::

- Fulfilled approximately 5,300 work orders and email requests for service
- Filled approximately 1,550 potholes, using 330 tons of asphalt
- Removed approximately 319 trees and thousands of branches from various storms
- Garage Division issued 2,620 corrective maintenance work orders and 460 preventive maintenance work orders.
- Removed over 30,000 cubic yards of leaves from public streets
- Responded to 230 Sewer calls

In order to reduce fuel costs and to provide a sustainable outlet for waste, the DPW partnered with local businesses to collect used vegetable oil for the purpose of making bio-diesel. Trained personnel process the material for use in DPW vehicles. The team has made over 1,000 gallons of bio-diesel, significantly reducing fuel costs and consumption.

On January 1, 2011, the DPW implemented our enhanced recycling program, designed to reduce landfill waste and to increase township revenue. Under this initiative, recyclable material is picked up biweekly instead of monthly. Furthermore, the number of commodities collected was expanded. As a result, the Township has seen a 45% increase in recycling and a 31% increase in revenue from the sale of recyclable commodities. All proceeds must be used for recycling purposes.

Using recycling funds, the township purchased 4,500 yellow residential recycling containers, and over \$200,000 in other equipment used in the collection of recyclable material. Accordingly, the Township strongly encourages all residents to recycle in order to reduce taxpayer costs for equipment and services.

In January of 2011, the Township entered into an Inter-local/Shared Services Agreement with the Teaneck Board of Education (TBOE) to provide various services at cost. Under the agreement the DPW provides TBOE with vehicle fueling services, rock salt and recyclables pick-up. Taxpayers have saved approximately \$15,000 under this arrangement. The Township will continue to work with TBOE to identify areas that may reduce costs or provide benefits through shared services.

In 2012, the DPW will focus efforts on enhancing our tree maintenance program. Additional staff will be assigned to this task in order to proactively address concerns.

PURCHASING DEPARTMENT

The Purchasing Department is responsible for the procurement of all Township equipment, supplies, and services; supports the Finance Department in monitoring departmental budgets and spending; and serves as one of the Township's two accounts payable liaisons with vendors.

The Purchasing Agent monitors the Township's compliance with the Local Public Contract Laws, aides in the development of bid specifications and oversees all Public Bid openings.

The Department is responsible for conducting public auctions of surplus

Township equipment and supplies. The Purchasing Agent is the Township's liaison with the New Jersey State Cooperative Purchasing Program and the Bergen County Cooperative Purchasing System.

The Purchasing Agent oversees compliance with State Affirmative Action Public Contract Regulations, New Jersey State Prevailing Wage Requirements, and State regulations pertaining to New Jersey Business Registration Certificates and assists in Pay to Play oversight. The Purchasing Agent serves as the Public Agency Compliance Officer for the Township. Finally, the Department seeks to meet its procurement mission in an expeditious, legal, and cost effective manner.

The Purchasing Department is presently staffed by two (2) employees and is headed by the Purchasing Agent, who has served the Township in this capacity for close to 22 He holds an MBA in Business vears. Management, and has been designated a Qualified Purchasing Agent (QPA) by the Department of Community Affairs Division of Local Government Services, of the State of New Jersey. The second position is that of Purchasing Assistant, which was filled by a new employee to the department in August The department has been greatly 2011. assisted in achieving its' departmental goals by this new hire.

In 2011, the Purchasing Department processed 2049 requisitions and issued 1442 purchase orders. The dollar volume of Purchase Orders generated in 2011 was \$2,327,168.00. The number of checks generated for Purchase expenditures during this same time period was 1,589.

The Township firmly believes in the concept of cooperative purchasing and is a contributing partner and participant in both New Jersey's State Cooperative Purchasing Program and Bergen County's Cooperative Purchasing System. Ordering equipment, supplies, and services through New Jersey's State Cooperative Purchasing Program and

The mission of the department is to provide year round leisure time activities and quality recreational programming for residents, with the goal of enhancing the quality of life, while contributing positively to the "Teaneck Experience." Ever mindful of their mandate and committed to the spirit of service to the community, the department Bergen County's Cooperative Pricing System enabled the Township to secure better pricing as our needs were combined with the needs of other participating members.

An example of the work performed in 2011 by the Purchasing Agent, was the procurement of Recycling Containers and lids for our DPW for distribution to our residents. As a member of the State of New Jersey's Cooperative Purchasing System, the Township was able to add Teaneck's requirements to the anticipated needs of all other State and County Government Entities for this commodity. The larger quantity of Recycling containers and lids were publicly advertised by the New Jersey State Purchase Bureau. Competition generated by the Public Bidding Process and the greater cumulative amount of Recycling containers and lids requested by the State, resulted in lower prices for this commodity for all cooperative members. In 2011, the Township purchased 4500 Recycling Containers and lids. Total spending on this commodity was \$85,569.50 which was far less expensive as a result of our cooperative membership.

In 2012, the Purchasing Department will continue to utilize the highest ethical standards and equitable practices on behalf of taxpayers, in order to obtain the lowest price for items and services.

RECREATION DEPARTMENT

continued to raise the bar and reaffirmed its commitment to excellence in all areas of programming in 2011.

The department is responsible for providing places for leisure activities and to ensure an environment that is safe, well maintained and wholesome for participants of various ages.

The Recreation Department's mandate is unique and multi-faceted. Not only is the department charged with promoting community health through positive leisure time activities, they are further challenged and committed to the steadfast promotion of health and wellness through active, passive and cultural activities, while creating and maintaining a safe atmosphere conducive to positive experiences and interactions for participants.

headed The department is by a Superintendant, who is a Certified Park & Recreation Professional, as well as a Certified Recreation Administrator, who has skillfully lead the department for the past 29 years. The department is comprised of ten full time employees and over 250 seasonal part time employees. Except for three Recreation Attendants, all other Department staff holds a Bachelor's Degree or other certification in their respective field. The Assistant Superintendent holds a Masters Degree, is a State Certified Social Worker, and has completed Certificate Programs in Management Development Studies and Proactive Leadership from Cornell University School of Industrial & Labor Relations.

The Recreation Department enjoyed another banner year in 2011. The department saw record numbers in all programs and divisions. High customer sentiment and satisfaction exceeded expectations. The department continued to receive rave reviews for their excellence in programming from the community at large. The department has been successful in continually recruiting and bringing on board the finest instructors in their respective fields. The Recreation Department has built

a solid team of committed and talented professionals, placing Teaneck on the cutting edge of this field. .

Over the past year, the Youth Division experienced a sizable increase in enrollment. Maximum capacity was reached in Sunshine Garden Learning Center, which is a Montessori based early childhood preschool for three and four year olds. The Montessori philosophy and educational curriculum is characterized by its emphasis on independence and freedom, within limits, regarding natural development.

The Learning Center is staffed by State Certified professionals and has an excellent child to staff ratio, significantly below the state's mandated requirement. The two Head Teachers are responsible for taking the lead and facilitating the educational, intellectual, social and emotional aspects of the age appropriate curriculum. The students are closely monitored and evaluated with regard to their academic progress and success in preparing them for kindergarten and beyond. The department received many accolades throughout the year from parents and other professionals concerning the quality of service provided at the learning center. The staff is truly outstanding and worthy of the highest recognition for the love, guidance and care with which they shower the children day in and day out. Additionally, under the most capable leadership of the Division Director, a New Jersey State Certified Head Teacher and Director as authorized by the Bureau of Licensing and the Division of Youth and Family Services, the After School Child Care Program provided recreational and educational programs for one hundred and twenty five students from kindergarten through middle school. The Summer Day Camp, Camp Sunsational flourished, with an enrollment of five hundred campers aged three years to eight.

In the Administrative Office the full-time Recreation Supervisor planned, organized, implemented and provided supervision of recreational activities, camps and special events for children and adults ages eighteen months to fifty four years. In 2011, there were over 11,000 young residents, who frolicked in ten Township wading pools summer's heat during the wave. Furthermore, the department successfully brought on board fifteen lifeguards to ensure the safety of our swimmers and pool patrons.

The Recreation Department significantly added to its program offerings in 2011. The department offered 271 individual classes taught by 37 instructors. Zumba, a Latin based aerobic dance exercise class and indoor tennis for children and adults were well attended. The tennis program taught and facilitated by All Pro Tennis was so popular that the department had to double the number of classes offered. Additionally, the department expanded the outdoor tennis program to include classes for teens and adults as well as increased the number of ice skating lessons and sessions offered on the weekends at the Mackay Ice Arena in Englewood.

Over the past year the department offered 184 sessions of adult and student Open Gym and Forum Programs both on site and at local schools. During school breaks and holidays, 483 students attended the Open Gym Programs supervised by department staff.

The Ice skating program was very successful in 2011 with enrollment increasing by 20% from the Fall Session to the Winter Session. Programs offered through the department serviced over 8,600 residents during the course of the year. A new in-ground pool badge system was implemented that theoretically, enables residents to swipe a badge to gain access to the pool area. The department was able to process the badges for residents at the time of purchase making it much more convenient and seamless for residents and staff. The department sold 1,344 pool badges to adults and children, 410 swim tags for the above ground pool and 271 guest passes for the in ground pool at Votee Park.

a convenience to residents, As the Recreation Department continued its' practice of offering discounted consignment tickets to local amusement parks, made available through a collaboration with the Recreation New Jersey and Park Association.

The department's senior and disabled transportation service provided 11,577 free rides to eligible residents for food shopping, medical appointments, errands and trips to the mall, a much needed and appreciated service which the department is proud to offer.

In the Senior Division, vibrancy and energy Over 3,540 (duplicated senior abound. participants) were registered in classes, social recreational activities and the congregate lunch program. The division offered a total of 200 fitness and education classes for residents 55 years and over. During the year the popularity of the center continued attracted and 173 new participants, 140 of whom were Teaneck residents and 36 nonresidents.

Highlights included the 6th Annual Spring Showcase and a five week "Learn to Bowl" program resulting from collaboration with Bowler City. The center offered an on-site 3 Part Osteoporosis Screening Program and Cooking Demonstration presented by the Wellness Institute. During National Senior Center Month: "It happens at My Center. My Life. My Time. My Way," featured a week of programming including special guest speakers covering an array of topics. Participants exercised their minds through Cerebral Gymnastics, got creative in their Stampin'Up Workshops and filled the gym with over 60 seniors for a fun and lively Zumba Gold Exercise Workshop.

Throughout the year seminars and workshop series were provided addressing pertinent information on various topics such as, healthy nutrition, healthy living, new tax environmental legislation, safety and recycling in Teaneck. As reported by staff, the most common phrases heard by participants throughout the year were, "I'm having fun" and "These classes are really helping me to feel better." Through the generosity of The Friends of the Teaneck Senior Services Center the senior staff was able to offer additional exercise classes as well as purchase and maintain programming equipment.

Our Special Education Program continues its success year after year. This camp offers approximately 40-50 Special Needs Children, grade 1 through 6, a warm, nurturing and supportive camp experience, facilitated by Certified Teachers as well as Teachers Aids and Counselors.

Other milestones in the Youth Division included introducing Sunshine Garden Learning Center to the Teaneck Public Library, an introduction to the Anti-Bullying way of life, Drop Everything And Read Fridays (30 minutes of quiet reading), Make A Difference Project (donation Boxes prepared for our Military abroad as well as the Teaneck Nursing Home) and an introduction to nutrition through the "Color Me Healthy Program."

A major milestone for the department was the successful hosting of the First Recreation Gym Day, which resulted from collaboration with Special Parents of Teaneck (SPOT) and was spearheaded by our Youth Center Director and a select group of the Youth Division staff. Although challenging, the Youth Division Director took the lead and mobilized a team to bring this day to fruition. The event was a huge success with overwhelming attendance. As a result of the unwavering determination of the Youth Division Leaders the department had 34 children special needs enrolled far exceeding SPOT's expectations. The day was truly memorable and a heartwarming and wonderful experience for the children, their parents and the staff.

In 2012, the department will expand course offerings in the Senior Division, including exercise classes, computer courses and transportation. The staff is committed to excellence in all areas of programming and will remain vigilant with regards to exploring and forming greater collaborations while monitoring current and emerging trends in recreation.

THE REQUIRED CERTIFICATION BY AN RMA IS AS FOLLOWS:

Preparation by Registered Municipal Accountant (Statement of Statutory Auditor Only)

I have not prepared the post-closing trial balances, related statements and analysis included in the accompanying Annual Financial Statement from the books of account and records made available to me by the <u>TOWNSHIP</u> of <u>TEANECK</u> as of December 31, 2011 and have applied certain agreed-upon procedures thereon as promulgated by the Division of Local Government Services, solely to assist the Chief Financial Officer in connection with the filing of the Annual Financial Statement for the year then ended as required by N.J.S. 40A:5-12, as amended.

Because the agreed-upon procedures do not constitute an examination of accounts made in accordance with generally accepted auditing standards, I do not express an opinion on any of the post-closing trial balances, related statements and analyses. In connection with the agreed-upon-procedures, no matters came to my attention that caused me to believed that Annual Financial Statement for the year ended 2011 is not in substantial compliance with the requirements of the State of New Jersey, Department of Community Affairs, Division of Local Government Services. Had I performed additional procedures or had I made an examination of the financial statements in accordance with generally accepted auditing standards, other matters might have come to my attention that would have been reported to the governing body and the Division. This Annual Financial Statement related only to the accounts and items prescribed by the Division and does not extend to the financial statements of the municipality/ county, taken as a whole.

Listing of agreed-upon procedures not performed and/or matters coming to my attention of which the Director should be informed:

MUNICIPAL BUDGET LOCAL EXAMINATION QUALIFICATION CERTIFICATION BY

CHIEF FINANCIAL OFFICER

One of the following Certifications must be signed by the Chief Financial Officer if your municipality is eligible for local examination.

1.	The outstanding indebtedness of the previous fiscal year is not in excess of 3.5%;
2.	All emergencies approved for the previous fiscal year did not exceed 3% of total appropriations;
3.	The tax collection rate exceeded 90%;
4.	Total deferred charges did not equal or exceed 4% of the total tax levy;
5.	There were no "procedural deficiencies" noted by the registered municipal accountant on Sheet 1a of the Annual Financial Statement; and
6.	There was no operating deficit for the previous fiscal year.
7.	The municipality did not conduct an accelerated tax sale for less than 3 consecutive years.
8.	The municipality did not conduct a tax levy sale the previous fiscal year and does not plan to conduct one in the current year.
9.	The current year budget does not contain a "CAP" waiver per N.J.S.A 40A:4-45.3ee
10.	The municipality will not apply for Extraordinary Aid for 2012.

IMPORTANT!

READ INSTRUCTIONS

INSTRUCTION

The following certification is to be used ONLY in the event there is NO municipally operated utility.

If there is a utility operated by the municipality or if a "utility fund" existed on the books of account, do not sign this statement and do not remove any of the UTILITY sheets from the document.

CERTIFICATION

I hereby certify that there was no "utility fund" on the books of account and there was no utility owned and operated by the TOWNSHIP of TEANECK, County of Bergen during the year 2011 and that sheets 40 to 68 are unnecessary.

I have therefore removed from this statement the sheets pertaining only to utilities

Name :

<u> Paul W. Garbarini CPA</u>

Title: REGISTERED MUNICIPAL ACCOUNTANT

(This must be signed by the Chief Financial Officer, Comptroller, Auditor or Registered Municipal Accountant.)

NOTE:

When removing the utility sheets, please be sure to refastened the "index" sheet (the last sheet in the statement) in order to provide a protective cover sheet to the back of the document.

MUNICIPAL CERTIFICATION OF TAXABLE PROPERTY AS OF OCTOBER 1, 2011

Certification is hereby made that the Net Valuation Taxable of property liable to taxation for the tax year 2012 and filed with the County Board of Taxation on January 10, 2012 in accordance with the requirement of N.J.S.A. 54:4-35, was in the amount of \$

DEBT SERVICE SCHEDULE FOR NOTES (OTHER THAN ASSESSMENT NOTES)

Memo: Designate all "Capital Notes" issued under N.J.S.40A:2-8(b) with 'C'. Such notes must be retired at the rate of 20% of the original amount issued annually.

Memo: Type 1 School Notes Should be separately listed and totaled.

* 'Original date of Issue' refers to the date when the first money was borrowed for a particular improvement, not the renewal date of subsequent notes which were issued.

All notes with an original date of issue of 2008 or prior require one legally payable installment to be budgeted if it is

contemplated that such notes will be renewed in 2011 or written intent of permanent financing submitted with statement.

** If interest on notes is financed by ordinance, designates same, otherwise an amount must be included in this column.

(DO NOT CROWD - ADD ADDITIONAL SHEETS)
